This Disclosure Form is only a summary of your dental Plan. The Group Dental Service Contract, which you can obtain from your Employer, should be consulted to determine the terms and conditions governing your coverage. The Group Dental Service Contract is on file with your Employer and a copy will be furnished upon request.

The Evidence of Coverage (EOC) booklet describes the terms and conditions of coverage of your Blue Shield dental Plan. It is your right to view the EOC prior to enrollment in the dental Plan.

To obtain a copy of the EOC or if you have questions about the Benefits of the Plan, please contact the Dental Customer Service Department at (888) 702-4171. The hearing impaired may contact Customer Service by calling the TTY number at (800) 241-1823.

Please read this Disclosure Form carefully and completely so that you understand which services are covered Dental Care Services, and the limitations and exclusions that apply to the Plan.

A Summary of Benefits, summarizing key elements of the Blue Shield of California Group Dental Plan you are being offered, is provided with this Disclosure Form to assist you in comparing dental plans available to you.

IMPORTANT

If you opt to receive dental services that are not Covered Services under this Plan, a participating Dental Provider may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered Benefit, the Dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about dental coverage options, you may call Member Services at (888) 702-4171 or your insurance broker. Blue Shield of California's (Blue Shield) dental Plans are administered by a Dental Plan Administrator (DPA). PLEASE READ THE FOLLOWING INFORMATION SO THAT YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS YOUR DENTAL CARE MAY BE OBTAINED.

Choice of Dental Providers

SELECTING A DENTAL PROVIDER

A close Dentist-patient relationship is an important element that helps to ensure the best dental care. Each Member (Subscriber or Dependent) is therefore required to select a Dental Provider at the time of enrollment. This decision is an important one because your Dental Provider will:

1. Help you decide on actions to maintain and improve your dental health.
2. Provide, coordinate and direct all necessary Covered Dental Care Services.
3. Arrange referrals to Plan Specialists when required, including the prior Authorization you will need.
4. Authorize Emergency Services when necessary.

The Dental Provider for each Member must be located sufficiently close to the Member's home or work address to ensure reasonable access to care, as determined by the Plan.

A Dental Provider must also be selected for a newborn or child placed for adoption.

If you do not select a Dental Provider at the time of enrollment or seek assistance from the Dental Plan Member Services Department within 15 days of the effective date of coverage, the Plan will designate a temporary Dental Provider for you and your Dependents, and notify you of the designated Dental Provider. This designation will remain in effect until you advise the Plan of your selection of a different Dental Provider.

Liability of Subscriber or Enrollee for Payment

You are responsible for assuring that the Dentist you choose is a Dental Provider. A Dental Provider's status may change. It is your obligation to verify whether the Dentist you choose is currently a Dental Provider; in case there have been changes to the list of Dental Providers. You are also responsible for following the Precertification of Benefits Program.

Facilities

Directories of Participating Dentists are available on our website <http://www.blueshieldca.com> or by calling (800) 286-7401.

Continuity of Care by a Terminated

Provider

Members who are being treated for acute dental conditions, serious chronic dental conditions, or who are children from birth to 36 months of age; or who have received Authorization from a now-terminated provider for dental surgery or another dental procedure as part of a documented course of treatment can request completion of care in certain situations with a provider who is leaving a Dental Plan Administrator's Participating Dentist Network. Contact Member Services to receive information regarding eligibility criteria and the policy and procedure for requesting continuity of care from a terminated provider.

Financial Responsibility for Continuity of Care Services

If a Member is entitled to receive services from a terminated provider under the preceding Continuity of Care provision, the responsibility of the Member to that provider for services rendered under the Continuity of Care provision shall be no greater than for the same services rendered by a Dental Provider in the same geographic area.

Utilization Review

State law requires that Plans disclose to Subscribers and providers the process used to authorize or deny services under the Plan.

Blue Shield has completed documentation of this process ("Utilization Review"), as required under Section 1363.5 of the California Health and Safety Code.

To request a copy of the document describing this Utilization Review process, call the Member Service Department at 1-888-702-4171.

Principal Benefits and Coverages

The Benefits available to you under the Plan are listed in the Summary of Benefits which is inserted as part of this booklet. The Copayments for these services, if applicable, are also listed in the Summary of Benefits.

Prepayment Fee

The monthly Dues for you and your Dependents are indicated in your Employer's group Contract. The initial Dues are payable on the effective date of the group Contract, and subsequent Dues are payable on the same date (called the transmittal date) of each succeeding month. Dues are payable in full on each transmittal date and must be made for all Subscribers and Dependents.

All Dues required for coverage for you and your Dependents will be handled through your Employer and must be paid to Blue Shield of California. Payment of Dues will continue the Benefits of this group Contract up to the date immediately before the next transmittal date, but not after.

The Dues payable under this Plan may be changed from time to time, for example, to reflect new Benefit levels. Your Employer will receive notice from the Plan of any changes in Dues at least 60 days prior to the change. Your Employer will then notify you immediately. Note: This paragraph does not apply to a Member who is enrolled under a Contract where monthly Dues automatically increase, without notice, the first day of the month following an age change that moves the

Member into the next higher age category.

However, the Contractholder will be liable for payment of Dues accruing during the period the Contract continues in force.

Grievance Process

Blue Shield of California has established a grievance procedure for receiving, resolving, and tracking Members' grievances. For more information on this process, see the Grievance Process section in the EOC.

External Independent Medical Review

State law requires Blue Shield to disclose to Members the availability of an external independent review process when your grievance involves a claim or services for which coverage was denied by Blue Shield or by a Dental Provider in whole or in part on the grounds that the service is not a Medical Necessity or is Experimental or Investigational in Nature. You may choose to make a request to the Department of Managed Health Care to have the matter submitted to an independent agency for external review in accordance with California law. For further information about whether you qualify or for more information about how this review process works, see the External Independent Medical Review section in the EOC.

Department of Managed Health Care Review

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health Plan, you should first telephone your health Plan **1-800-424-6521** and use your health Plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health Plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an independent medical review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health Plan related to the Medical Necessity of a proposed service or treatment, coverage decisions for treatments that are Experimental or

Investigational in Nature, and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number **1-888-466-2219** and a TDD line **1-877-688-9891** for the hearing and speech impaired. The Department's internet website (<http://www.dmhc.ca.gov>) has complaint forms, IMR application forms, and instructions online.

In the event that Blue Shield should cancel or refuse to renew the enrollment for you or your Dependents and you feel that such action was due to reasons of health or utilization of Benefits, you or your Dependents may request a review by the Department of Managed Health Care Director.
