Medical plans

Choose the medical plan that is best for you from our Trio ACO HMO Network or from our Exclusive PPO Network.

Our Trio ACO HMO Network

An accountable care organization (ACO) is a network of doctors and hospitals that work directly with health plan providers, such as Blue Shield, to share the responsibility for providing coordinated care to patients. Within the Trio ACO HMO Network, you will have a primary care physician (PCP) that coordinates your care, communicates with necessary specialists, and provides referrals so you can get care. Your chosen PCP must participate in the Trio ACO HMO Network.

Your PCP will refer you to specialists that are part of the same medical group of professionals. If you need a specialist who is not in your PCP’s medical group, you may be referred out-of-network and still receive covered benefits.

Blue Shield’s Trio HMO is available in 28 counties and can be purchased directly through Blue Shield or Covered California. The Trio ACO HMO Network offers the same types of doctors and levels of care as traditional HMO plans. To enroll in a Trio HMO plan, you and your dependents must live or work in the Trio HMO plan service area.

Our Exclusive PPO Network

Blue Shield offers a variety of PPO health plans that give you access to more than 62,500 doctors, 320 hospitals, and 1,080 urgent care centers in our Exclusive PPO Network. So, make sure any physician you visit is in the Exclusive PPO Network to minimize out-of-pocket costs. While Blue Shield’s PPO plans provide limited coverage for some services you receive from providers outside of the plan’s Exclusive PPO Network, you will get the most value from your PPO health plan when you use Exclusive PPO Network providers.

Find your rate

1. Determine your rating region

Some plans are only available in specific areas. If you are interested in enrolling in a medical PPO plan, it is available in all counties. Medical HMO plans and Family Dental plans availability can vary per region and/or ZIP code. Please refer to Region Ratings by County on page 4 for a helpful chart. For medical HMO plans, you can also use Blue Shield's Trio ZIP code locator at [blueshieldca.com/triocheck](https://www.blueshieldca.com/triocheck).

2. Specify your plan

Find the plan you selected for you and/or your family in the medical plans rate chart. You can only enroll in a Family Dental plan sold through Covered California if you are also enrolled in a medical plan. For additional enrollment guidelines, please refer to the Basics of Family Dental Plans notes on page 6.

3. Locate your rate, depending on your age

Locate your age to determine your rate. For family coverage, the rate is a sum of each family member's individual rate. However, for children under age 21, a maximum of the three oldest children will be rated in the total family rate. Pediatric dental and vision benefits are embedded into all medical plans. Once a person turns age 19, he or she is no longer eligible for pediatric dental and pediatric vision benefits. To obtain dental and vision benefits, they must apply for a separate dental plan and/or vision plan.

Dental coverage rates can be found on page 6. Medical coverage rates can be found on pages 7-25.

Basics of Family Dental Plans

- Covered California’s family dental plans make benefits available to both adults and children. Enrollment in these plans is optional, and there is no tax penalty if you do not enroll in an optional family dental plan.
- Families that wish to purchase a family dental plan must be enrolled in a health insurance (medical) plan purchased through Covered California.
- There must be at least one adult (age 19 or older) enrolled in a family dental plan in order for a child in the family to enroll.
 - All adults in the household are not required to enroll.
 - If a family chooses to enroll children (younger than 19) in a family dental plan, all children younger than 19 who live in the household must enroll in the same family dental plan.
