Section 1 – Introduction

This directory provides a list of Blue Shield Medicare (PPO)'s network providers.

To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory, however, some services may require a referral. For more information about referrals, please read the plan's *Evidence of Coverage (EOC)* for details. Other providers are available in our network.

Out-of-network providers are under no obligation to treat Blue Shield Medicare (PPO) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at (800) 776-4466, 8 a.m. to 8 p.m., seven days a week. TTY users should call 711. You may also refer to your *Evidence of Coverage (EOC)* for more information, including the cost sharing that applies to out-of-network services.

If you receive a bill from any out-network provider for covered services, please do not pay it. Instead, please send it to us at the following address and we will pay the covered amount, minus any applicable copayment/coinsurance amount(s):

Blue Shield of California
Medicare Customer Service Department
P.O. Box 927
Woodland Hills, CA 91365

You can also call our Customer Service Department at (800) 776-4466, 8 a.m. to 8 p.m., seven days a week. TTY users should call 711.

We must provide you with access to primary care and behavioral health services within the following timeframes:

- A. Urgent care appointments for services that do not require prior authorization: within 48 hours of the request for appointment.
- B. Urgent care appointments for services that require prior authorization: within 96 hours of the request for appointment.
- C. Non-urgent appointments for primary care: within ten business days of the request for appointment.

- D. Non-urgent appointments with specialist physicians: within fifteen business days of the request for appointment.
- E. Non-urgent appointments with a non-physician mental health care provider: within ten business days of the request for appointment.
- F. Non-urgent appointments for ancillary services for the diagnosis or treatment of injury, illness, or other health condition: within fifteen business days of the request for appointment.

The applicable waiting time for a particular appointment may be extended if the referring or treating licensed health care provider, or the health professional providing triage or screening services, as applicable, acting within the scope of his or her practice and consistent with professionally recognized standards of practice, has determined and noted in the relevant record that a longer waiting time will not have a detrimental impact on the health of the enrollee;

If you need care in an emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room. You do not need to get permission first from your physician or other network provider.

A medical emergency is when you believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting much worse.

Make sure that Blue Shield knows about your emergency because your physician will need to be involved in following up on your emergency care.

You or someone else should call to tell your physician about your emergency care as soon as possible, preferably within 48 hours. The number to call is located on your plan ID card.

If you need medical help immediately but your health is not in serious danger, the help you need is called “urgently needed services”. You may go to any urgent care facility listed in this directory if your network provider is unavailable or inaccessible.

If you are treated for a condition that meets the definition of urgently needed services while you are outside the plan service area, we recommend that you return to the service area to get follow-up care through your POC. However, we will cover follow-up care that you get from out-network providers outside the plan service area as long as the care you are receiving meets the definition of “urgently needed services.”

With the exception of emergencies, it may cost more to get care from out-of-network providers.

Sección 1: Introducción

Este directorio incluye una lista de los proveedores de la red de Blue Shield Medicare (PPO).

Para obtener información detallada sobre su cobertura de atención de la salud, lea su *Evidencia de Cobertura (EOC, por sus siglas en inglés)*.

Los proveedores de la red que se incluyen en este directorio han aceptado brindarle servicios de atención de la salud. Usted puede ir a cualquiera de nuestros proveedores de la red que esté incluido en este directorio, pero es posible que necesite una referencia para obtener algunos servicios. Para ver más detalles sobre las referencias, lea la *Evidencia de Cobertura (EOC)* del plan. Hay otros proveedores disponibles en nuestra red.

Salvo en situaciones de emergencia, los proveedores fuera de la red no tienen la obligación de tratar a las personas inscritas en Blue Shield Medicare (PPO). Para saber si decidiremos cubrir un servicio fuera de la red, les recomendamos a usted o a su proveedor que nos pidan una determinación de la organización previa al servicio antes de recibirlo. Comuníquese con nuestro Departamento de Servicio al Cliente llamando al (800) 776-4466, de 8:00 a. m. a 8:00 p. m., cualquier día de la semana. Los usuarios del sistema TTY deben llamar al 711. También puede consultar su *Evidencia de Cobertura (EOC)* para obtener más información, incluido el costo compartido que corresponde a los servicios fuera de la red.

Si recibe una factura de cualquier proveedor que no pertenece a la red por servicios cubiertos, no la pague. Envíenos la factura a la siguiente dirección y nosotros pagaremos la cantidad cubierta, menos las cantidades de copago o coseguro que correspondan:

Blue Shield of California
Medicare Customer Service Department
P.O. Box 927
Woodland Hills, CA 91365

También puede comunicarse con nuestro Departamento de Servicio al Cliente llamando al (800) 776-4466, de 8:00 a. m. a 8:00 p. m., cualquier día de la semana. Los usuarios del sistema TTY deben llamar al 711.

Debemos brindarle acceso a los servicios de atención primaria y de salud de la conducta dentro de los siguientes plazos:

- A. Dentro de las 48 horas siguientes al pedido cuando se trate de citas de atención urgente para recibir servicios que no necesiten autorización previa.
- B. Dentro de las 96 horas siguientes al pedido cuando se trate de citas de atención urgente para recibir servicios que necesiten autorización previa.

- C. Dentro de los 10 días hábiles siguientes al pedido cuando se trate de citas de atención que no sea urgente para recibir atención primaria.
- D. Dentro de los 15 días hábiles siguientes al pedido cuando se trate de citas de atención que no sea urgente para recibir atención médica especializada.
- E. Dentro de los 10 días hábiles siguientes al pedido cuando se trate de citas de atención que no sea urgente para recibir atención de un proveedor de atención de salud mental que no es médico.
- F. Dentro de los 15 días hábiles siguientes al pedido cuando se trate de citas de atención que no sea urgente para recibir servicios complementarios para el diagnóstico o el tratamiento de lesiones, enfermedades u otros problemas de salud.

Es posible que se extienda el tiempo de espera aplicable para una cita determinada si, habiendo actuado dentro de las responsabilidades de su práctica y habiendo seguido los estándares de práctica reconocidos profesionalmente, el proveedor de atención de la salud con licencia a cargo del tratamiento o que hace la referencia, o el profesional de la salud a cargo del triaje o de los servicios de detección, según corresponda, ha decidido y ha indicado en los registros correspondientes que esperar más tiempo no tendrá un impacto negativo en la salud de la persona inscrita.

Si necesita atención en una emergencia, obtenga ayuda médica lo más rápido posible. Llame al 911 para recibir ayuda, o vaya a la sala de emergencias más cercana. No necesita obtener primero el permiso de su médico ni de otro proveedor de la red.

Hay una emergencia médica cuando usted cree que tiene síntomas médicos que requieren atención médica inmediata para evitar la muerte, la pérdida de un miembro o la pérdida de las funciones de un miembro. Los síntomas médicos pueden incluir una enfermedad, una lesión, un dolor muy fuerte o un problema médico que empeora rápidamente.

Asegúrese de que Blue Shield sepa sobre su emergencia, ya que será necesario que su médico haga un seguimiento de su atención de emergencia.

Usted u otra persona deben llamar a su médico para avisarle sobre su atención de emergencia cuanto antes; en lo posible, dentro de las 48 horas. El número al que se debe llamar está en la tarjeta de identificación de su plan.

Si necesita ayuda médica inmediata, pero su salud no está en grave peligro, esa ayuda se llama “servicios urgentemente necesarios”. Si su proveedor de la red no está disponible o si no puede comunicarse con él, puede ir a cualquier centro de atención urgente que esté incluido en este directorio.

Si tiene un problema de salud que requiere servicios urgentemente necesarios y recibe

tratamiento mientras está fuera del área de servicio del plan, le recomendamos que vuelva al área de servicio para que su POC le brinde atención de seguimiento. Sin embargo, cubriremos la atención de seguimiento que reciba de los proveedores que no son de la red que estén fuera del área de servicio del plan, siempre y cuando la atención recibida siga cumpliendo con la definición de "servicios urgentemente necesarios".

Excepto en los casos de emergencia, puede ser más caro obtener atención de proveedores fuera de la red.

Section 2 – List of Network Providers

- Network POCs, specialists, hospitals, urgent care centers, skilled nursing facilities, ambulatory surgery centers, home health, durable medical equipment, home infusion, and dialysis providers are listed in this directory.

Some hospitals participate in an independent quality program. Hospitals identified with the symbol ① participate in the **Leapfrog Group**, an independent California program that works to implement three key practices that have been shown to improve patient safety. Leapfrog hospitals

- 1) do computer checks on prescriptions to avoid drug interactions;
- 2) have a full-time physician specialist on staff in all intensive care units; and
- 3) perform high-risk surgical procedures, such as heart surgery, only when certain quality criteria are met.

- Urgent Care facilities affiliated with your network group are listed under Urgent Care Centers. You may use these Urgent Care Facilities or any other Urgent Care facility in your plan service area if you need urgent medical care when your POC's office is closed.
- POCs who are not accepting new patients are noted with an asterisk (*). You may choose a POC in this category only if you are currently a patient of that physician or changing to a new physician group where that physician is also a part of.
- Affiliated specialists are listed by specialty and then by last name under each network group.
- Plan pharmacies are not listed in this directory. You may request a list of these facilities by calling our Customer Service Department or by going to **[blueshieldca.com/medpharmacy2025](https://www.blueshieldca.com/medpharmacy2025)**.

Sección 2: Lista de proveedores de la red

Algunos hospitales participan en un programa de calidad independiente. Los hospitales identificados con el símbolo ① participan en el programa de California **Leapfrog Group**, un programa independiente que busca implementar tres prácticas claves que se ha demostrado que mejoran la seguridad del paciente. Los hospitales que participan en el programa Leapfrog:

- 1) controlan las recetas por computadora para evitar la interacción entre medicamentos;
- 2) cuentan con un médico especialista de tiempo completo dentro del personal de todas las unidades de cuidado intensivo; y
- 3) hacen procedimientos quirúrgicos de alto riesgo, como cirugías de corazón, solo cuando se cumple con ciertos criterios de calidad.

- Los PCP que no aceptan nuevos pacientes se indican con un asterisco (*). Puede elegir a un PCP de esta categoría únicamente si es paciente actual de ese médico o si se cambia a un nuevo grupo médico del que ese médico también forma parte.
- Las farmacias del plan no se incluyen en este directorio. Para pedir una lista de estas farmacias, llame a nuestro Departamento de Servicio al Cliente o visite **blueshieldca.com/medpharmacy2025**.
