Section 1 – Introduction

This directory provides a list of Blue Shield 65 Plus (HMO)'s network providers.

To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

You will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. When you choose your PCP, you are also choosing the hospital(s) and specialty network affiliated with the physician group.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory, however, some services may require a referral. For more information about referrals, please read the plan's *Evidence of Coverage (EOC)* for details. Other providers are available in our network.

If you receive a bill from any non-network provider for covered services such as emergency or urgently needed services or out-of-area renal dialysis services, please do not pay it. Instead, please send it to us at the following address and we will pay the covered amount, minus any applicable copayment/coinsurance amount(s):

Blue Shield of California
Medicare Customer Service Department
P.O. Box 927
Woodland Hills, CA 91365

You can also call our Customer Service Department for assistance at (800) 776-4466, 8 a.m. to 8 p.m., seven days a week. TTY users should call 711.

We must provide you with access to primary care and behavioral health services within the following timeframes:

- A. Urgent care appointments for services that do not require prior authorization: within 48 hours of the request for appointment.
- B. Urgent care appointments for services that require prior authorization: within 96 hours of the request for appointment.
- C. Non-urgent appointments for primary care: within ten business days of the request for appointment.
- D. Non-urgent appointments with specialist physicians: within fifteen business days of the request for appointment.

- E. Non-urgent appointments with a non-physician mental health care provider: within ten business days of the request for appointment.
- F. Non-urgent appointments for ancillary services for the diagnosis or treatment of injury, illness, or other health condition: within fifteen business days of the request for appointment.

The applicable waiting time for a particular appointment may be extended if the referring or treating licensed health care provider, or the health professional providing triage or screening services, as applicable, acting within the scope of his or her practice and consistent with professionally recognized standards of practice, has determined and noted in the relevant record that a longer waiting time will not have a detrimental impact on the health of the enrollee.

If you need care in an emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room. You do not need to get permission first from your physician or other network provider.

A medical emergency is when you believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting much worse.

Make sure that Blue Shield knows about your emergency because your physician will need to be involved in following up on your emergency care.

You or someone else should call to tell your physician about your emergency care as soon as possible, preferably within 48 hours. The number to call is located on your plan ID card.

If you need medical help immediately but your health is not in serious danger, the help you need is called "urgently needed services". You may go to any urgent care facility listed in this directory if your network provider is unavailable or inaccessible.

If you are treated for a condition that meets the definition of urgently needed services while you are outside the plan service area, we recommend that you return to the service area to get follow-up care through your PCP. However, we will cover follow-up care that you get from out-network providers outside the plan service area as long as the care you are receiving meets the definition of "urgently needed services."

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Blue Shield will be responsible for the costs.

Sección 1: Introducción

Este directorio incluye una lista de los proveedores de la red de Blue Shield 65 Plus (HMO).

Para obtener información detallada sobre su cobertura de atención de la salud, lea su *Evidencia de Cobertura (EOC, por sus siglas en inglés)*.

Tendrá que elegir a uno de nuestros proveedores de la red incluidos en este directorio para que sea su médico de atención primaria (PCP, por sus siglas en inglés). Por lo general, debe recibir sus servicios de atención de la salud por medio de su PCP. Cuando elige a su PCP, también elige los hospitales y la red de especialistas afiliados al grupo médico.

Los proveedores de la red que se incluyen en este directorio han aceptado brindarle servicios de atención de la salud. Usted puede ir a cualquiera de nuestros proveedores de la red que esté incluido en este directorio, pero es posible que necesite una referencia para obtener algunos servicios. Para ver más detalles sobre las referencias, lea la *Evidencia de Cobertura (EOC)* del plan. Hay otros proveedores disponibles en nuestra red.

Si recibe una factura de cualquier proveedor que no pertenece a la red por servicios cubiertos, como servicios de emergencia o urgentemente necesarios o servicios de diálisis renal fuera del área, no la pague. Envíenos la factura a la siguiente dirección y nosotros pagaremos la cantidad cubierta, menos las cantidades de copago o coseguro que correspondan:

Blue Shield of California
Medicare Customer Service Department
P.O. Box 927
Woodland Hills, CA 91365

Para obtener ayuda, también puede comunicarse con nuestro Departamento de Servicio al Cliente llamando al (800) 776-4466, de 8:00 a. m. a 8:00 p. m., cualquier día de la semana. Los usuarios del sistema TTY deben llamar al 711.

Debemos brindarle acceso a los servicios de atención primaria y de salud de la conducta dentro de los siguientes plazos:

- A. Dentro de las 48 horas siguientes al pedido cuando se trate de citas de atención urgente para recibir servicios que no necesiten autorización previa.
- B. Dentro de las 96 horas siguientes al pedido cuando se trate de citas de atención urgente para recibir servicios que necesiten autorización previa.
- C. Dentro de los 10 días hábiles siguientes al pedido cuando se trate de citas de atención que no sea urgente para recibir atención primaria.

- D. Dentro de los 15 días hábiles siguientes al pedido cuando se trate de citas de atención que no sea urgente para recibir atención médica especializada.
- E. Dentro de los 10 días hábiles siguientes al pedido cuando se trate de citas de atención que no sea urgente para recibir atención de un proveedor de atención de salud mental que no es médico.
- F. Dentro de los 15 días hábiles siguientes al pedido cuando se trate de citas de atención que no sea urgente para recibir servicios complementarios para el diagnóstico o el tratamiento de lesiones, enfermedades u otros problemas de salud.

Es posible que se extienda el tiempo de espera aplicable para una cita determinada si, habiendo actuado dentro de las responsabilidades de su práctica y habiendo seguido los estándares de práctica reconocidos profesionalmente, el proveedor de atención de la salud con licencia a cargo del tratamiento o que hace la referencia, o el profesional de la salud a cargo del triaje o de los servicios de detección, según corresponda, ha decidido y ha indicado en los registros correspondientes que esperar más tiempo no tendrá un impacto negativo en la salud de la persona inscrita.

Si necesita atención en una emergencia, obtenga ayuda médica lo más rápido posible. Llame al 911 para recibir ayuda, o vaya a la sala de emergencias más cercana. No necesita obtener primero el permiso de su médico ni de otro proveedor de la red.

Hay una emergencia médica cuando usted cree que tiene síntomas médicos que requieren atención médica inmediata para evitar la muerte, la pérdida de un miembro o la pérdida de las funciones de un miembro. Los síntomas médicos pueden incluir una enfermedad, una lesión, un dolor muy fuerte o un problema médico que empeora rápidamente.

Asegúrese de que Blue Shield sepa sobre su emergencia, ya que será necesario que su médico haga un seguimiento de su atención de emergencia.

Usted u otra persona deben llamar a su médico para avisarle sobre su atención de emergencia cuanto antes; en lo posible, dentro de las 48 horas. El número al que se debe llamar está en la tarjeta de identificación de su plan.

Si necesita ayuda médica inmediata, pero su salud no está en grave peligro, esa ayuda se llama "servicios urgentemente necesarios". Si su proveedor de la red no está disponible o si no puede comunicarse con él, puede ir a cualquier centro de atención urgente que esté incluido en este directorio.

Si tiene un problema de salud que requiere servicios urgentemente necesarios y recibe tratamiento mientras está fuera del área de servicio del plan, le recomendamos que vuelva al área de servicio para que su PCP le brinde atención de seguimiento. Sin embargo, cubriremos la

atención de seguimiento que reciba de los proveedores que no son de la red que estén fuera del área de servicio del plan, siempre y cuando la atención recibida siga cumpliendo con la definición de "servicios urgentemente necesarios".

Usted debe ir a proveedores de la red, excepto cuando necesite atención urgente o de emergencia, o servicios de diálisis u otros servicios fuera del área. Si obtiene atención de rutina de un proveedor fuera de la red, ni Medicare ni Blue Shield serán responsables de los costos.

Section 2 – List of Network Providers

- Network PCPs, specialists, hospitals, clinics, and urgent care centers are listed by physician group.
- The hospital or hospitals affiliated with the physician group are listed at the beginning of the physician group section in this directory.

Some hospitals participate in an independent quality program. Hospitals identified with the symbol ① participate in the **Leapfrog Group**, an independent California program that works to implement three key practices that have been shown to improve patient safety. Leapfrog hospitals

1) do computer checks on prescriptions to avoid drug interactions;

2) have a full-time physician specialist on staff in all intensive care units; and

3) perform high-risk surgical procedures, such as heart surgery, only when certain quality criteria are met.

- Urgent Care facilities affiliated with your physician group are listed under Urgent Care Centers. You may use these Urgent Care Facilities or any other Urgent Care facility in your plan service area if you need urgent medical care when your PCP's office is closed.
- Within the physician group listing, PCPs are listed alphabetically under one of the following categories: *Family Practice, General Practice, Internal Medicine, and OB/GYN.*
- PCPs who are not accepting new patients are noted with an asterisk (*). You may choose a PCP in this category only if you are currently a patient of that physician or changing to a new physician group where that physician is also a part of.
- Affiliated specialists are listed by specialty and then by last name under each physician group.
- Plan pharmacies are not listed in this directory. You may request a list of these facilities by calling our Customer Service Department or by going to blueshieldca.com/medpharmacy2025.

Sección 2: Lista de proveedores de la red

- Los PCP, los especialistas, los hospitales, las clínicas y los centros de atención urgente de la red se muestran por grupo médico.
- El hospital o los hospitales afiliados al grupo médico se incluyen al principio de la sección que corresponde a los grupos médicos en este directorio.

Algunos hospitales participan en un programa de calidad independiente. Los hospitales identificados con el símbolo  participan en el programa de California **Leapfrog Group**, un programa independiente que busca implementar tres prácticas claves que se ha demostrado que mejoran la seguridad del paciente. Los hospitales que participan en el programa Leapfrog:

- 1) controlan las recetas por computadora para evitar la interacción entre medicamentos;
- 2) cuentan con un médico especialista de tiempo completo dentro del personal de todas las unidades de cuidado intensivo; y
- 3) hacen procedimientos quirúrgicos de alto riesgo, como cirugías de corazón, solo cuando se cumple con ciertos criterios de calidad.

- Los centros de atención urgente afiliados a su grupo médico se incluyen en la sección "Centros de atención urgente". Puede usar estos u otros centros de atención urgente dentro del área de servicio de su plan si necesita atención médica urgente cuando el consultorio de su PCP esté cerrado.
- En la lista de grupos médicos, los PCP aparecen ordenados alfabéticamente en una de las siguientes categorías: *medicina familiar, medicina general, medicina interna y obstetricia/ginecología* (OB/GYN, por sus siglas en inglés).
- Los PCP que no aceptan nuevos pacientes se indican con un asterisco (*). Puede elegir a un PCP de esta categoría únicamente si es paciente actual de ese médico o si se cambia a un nuevo grupo médico del que ese médico también forma parte.
- Los especialistas afiliados se muestran dentro de cada grupo médico ordenados por especialidad y, después, por apellido.
- Las farmacias del plan no se incluyen en este directorio. Para pedir una lista de estas farmacias, llame a nuestro Departamento de Servicio al Cliente o visite **blueshieldca.com/medpharmacy2025**.
