B. Información de partida sobre los proveedores de la red de Blue Shield TotalDual Plan

B1. Términos claves

Esta sección explica los términos claves de nuestro Directorio.

- Los **proveedores** son profesionales como médicos, profesionales de enfermería, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, apoyo y servicios a largo plazo (LTSS), suministros, medicamentos recetados, equipos y otros servicios.
- El término "**proveedores**" también incluye centros, como hospitales, clínicas y otros lugares que brindan servicios y equipos médicos.
    - También incluye a proveedores de LTSS con los que puede atenderse como miembro de Blue Shield TotalDual Plan.
    - Los proveedores que forman parte de la red de nuestro plan se llaman "proveedores de la red".
- Los **proveedores de la red** tienen un contrato con nosotros para brindarles servicios a los miembros de nuestro plan. Los proveedores de la red participan en nuestro plan. Eso significa que aceptan miembros de nuestro plan y brindan servicios que nuestro plan cubre. Cuando se atiende con un proveedor de la red, usted generalmente no paga nada por los servicios cubiertos.
- Un **médico de atención primaria** (PCP, por sus siglas en inglés) es un profesional de medicina interna, un médico familiar o general, o un especialista que le brinda atención de la salud de rutina. Su PCP guardará sus registros médicos y sabrá cuáles son sus necesidades de salud con el paso del tiempo. Su PCP también le dará una referencia si necesita atenderse con un especialista u otro proveedor.
- Los **especialistas** son médicos que brindan servicios de atención de la salud para una enfermedad o una parte del cuerpo específicas. Hay muchos tipos de especialistas. Estos son algunos ejemplos:
    - Los oncólogos tratan a los pacientes que tienen cáncer.
    - Los cardiólogos tratan a los pacientes que tienen problemas del corazón.
    - Los ortopedas tratan a los pacientes que tienen ciertos problemas de salud en los huesos, las articulaciones o los músculos.
- Un grupo médico o una asociación de médicos independientes (IPA, por sus siglas en inglés) es una organización formada según las leyes de California que tiene contratos con planes de salud para brindarles servicios de atención de la salud a las personas inscritas en estos planes, o bien para coordinar esos servicios. Vea la sección B3 para obtener más información.

- Es posible que necesite una **referencia** o una **autorización previa** para un especialista o cualquier otro profesional que no sea su PCP. Si necesita una **referencia**, significa que el PCP de la red debe darle una aprobación antes de que pueda atenderse con el otro proveedor. Una **autorización previa** es diferente de una referencia. Significa que **Blue Shield TotalDual Plan** (no su PCP de la red) debe darle una aprobación **antes** de que nosotros cubramos un servicio, un artículo o un medicamento específicos, o un proveedor fuera de la red. Si usted no obtiene una referencia o una autorización previa, es posible que Blue Shield TotalDual Plan no cubra el servicio, el artículo o el medicamento.
    - **No** se necesitan referencias ni autorización previa para lo siguiente:
        - Atención de emergencia.
        - Atención urgentemente necesaria.
        - Servicios de diálisis renal que reciba en un centro de diálisis certificado por Medicare si se encuentra fuera del área de servicio del plan.
        - Servicios brindados por un especialista en salud de la mujer.
        - Todos los servicios preventivos cubiertos por Medicare, incluidas las pruebas de detección y las vacunas.
    - Además, si usted es un miembro indígena estadounidense, puede recibir servicios de un proveedor de atención de la salud indígena sin una referencia. Debemos pagarle al proveedor de atención de la salud indígena por esos servicios incluso si está fuera de la red de nuestro plan.
    - Hay más información disponible sobre las referencias y la autorización previa en el **Capítulo 3** del *Manual para Miembros*.
- También se le asignará un **Equipo de Atención**. Cuando se inscriba en el plan, se le asignará un Coordinador de Atención para que le ayude a empezar. Su Equipo de Atención le ayudará a crear un Plan de Atención que les informe a sus médicos qué servicios necesita y cómo obtenerlos. El Equipo de Atención puede incluir a una persona que brinda cuidados, un Coordinador de Atención, un especialista y otros profesionales según el nivel de necesidad demostrado en su Plan de Atención. Todos los integrantes del Equipo de Atención trabajan juntos para asegurarse de que su atención esté coordinada. Esto significa que se aseguran de que usted reciba todas las pruebas, los exámenes de laboratorio y otro tipo de atención que necesite, y de que los resultados se compartan con los proveedores adecuados. También significa que su PCP debe conocer todos los medicamentos que usted toma para poder reducir cualquier efecto negativo. Su PCP siempre le pedirá permiso antes de compartir su información médica con otros proveedores. Los miembros de su Equipo de Atención pueden incluir:
    - Un **Coordinador de Atención** que le ayuda a administrar sus proveedores y sus servicios

médicos.

- Su **médico de atención primaria**.

Su Equipo de Atención también le ayudará a encontrar otros proveedores de servicios médicos, de salud de la conducta o de apoyo y servicios a largo plazo (LTSS) si usted necesita un especialista u otro proveedor de atención de la salud. De esta manera, usted obtendrá el proveedor adecuado para que le brinde ayuda con sus inquietudes.

B2. Tiempos de espera para la atención primaria y la salud de la conducta

Debemos brindarle acceso a los servicios de atención primaria y de salud de la conducta dentro de los siguientes plazos:

- De manera inmediata para los servicios urgentemente necesarios y de emergencia.
- Dentro de los 7 días cuando usted necesite atención médica, pero los servicios no sean urgentemente necesarios ni de emergencia.
- Dentro de los 30 días para la atención de rutina o preventiva.

B3. Cómo elegir un médico de atención primaria (PCP)

Primero, deberá elegir un médico de atención primaria (PCP). Puede elegir a cualquier PCP de nuestra red que acepte miembros nuevos.

Los PCP de nuestro plan están afiliados con grupos médicos. Cuando elige a su PCP, también elige el grupo médico afiliado. Esto significa que su PCP le brindará referencias a especialistas y servicios que también están afiliados con el grupo médico del PCP.

- Si hay un especialista o un hospital en particular que usted desea usar, es importante saber si están afiliados con el grupo médico de su PCP. Puede buscarlo en este Directorio o pedirle a Servicio para Miembros de Blue Shield TotalDual Plan que averigüe si el PCP que usted desea hace referencias a ese especialista o usa ese hospital.
- Si no se atiende dentro del grupo médico de su PCP, es posible que Blue Shield TotalDual Plan no cubra el servicio.
- Para elegir un PCP, vea la lista de médicos en las secciones C y D y elija un médico:
    - con el que se atienda actualmente, **o**
    - que le haya recomendado alguien de su confianza, **o**
    - que tenga un consultorio al que usted pueda acceder fácilmente.
- Si no elige un PCP de nuestra red, Blue Shield TotalDual Plan elegirá uno por usted.
- Si desea ayuda para elegir un PCP, llame a Servicio al Cliente al 1 800 452 4413 (TTY: 711), de 8:00 a.

m. a 8:00 p. m., los 7 días de la semana. La llamada es gratis. O visite www.blueshieldca.com/medicare.

- Si tiene preguntas sobre si el servicio o la atención que usted desea o necesita están cubiertos, hable con su Equipo de Atención o llame a Servicio al Cliente al 1-800-452-4413 (TTY: 711) y averigüe **antes** de recibirlos.

B4. Proveedores de apoyo y servicios a largo plazo (LTSS)

Como miembro de Blue Shield TotalDual Plan, si los necesita, podrá recibir apoyo y servicios a largo plazo (LTSS), como servicios comunitarios de cuidado de día para adultos (CBAS, por sus siglas en inglés), que brindan servicios de enfermería, terapia física, terapia ocupacional, terapia del habla, actividades terapéuticas y comidas en centros de la comunidad. También están disponibles los servicios de apoyo en el hogar (IHSS, por sus siglas en inglés), que es la atención que reciben en su hogar las personas que no pueden estar seguras en él sin la asistencia de una persona que brinda cuidados. El apoyo y los servicios a largo plazo (LTSS) ayudan a las personas que necesitan asistencia para hacer tareas diarias como bañarse, vestirse, cocinar y tomar medicamentos. Si bien la mayoría de estos servicios se brindan en su hogar o su comunidad, podrían brindarse también en un hogar de ancianos o en un hospital.

Si usted necesita LTSS, su Coordinador de Atención puede ayudarles a usted y a su Equipo de Atención a determinar qué opciones están disponibles para brindarle apoyo de la manera que usted desea.

B5. Cómo obtener acceso a los proveedores de la red de Blue Shield TotalDual Plan

Es posible que necesite una referencia para atenderse con un profesional que no sea su médico de atención primaria (PCP). Hay más información sobre las referencias en la sección B1.

Debe recibir todos sus servicios cubiertos a través de proveedores de nuestra red Si se atiende con proveedores que no están en la red de Blue Shield TotalDual Plan y que no están afiliados con el grupo médico de su PCP **(sin autorización previa), deberá pagar la factura.**

> Una **autorización previa** es una aprobación de Blue Shield TotalDual Plan para buscar servicios fuera de nuestra red o para obtener servicios que habitualmente no están cubiertos por nuestra red **antes** de que usted reciba los servicios.

Las únicas excepciones a esta regla son cuando necesita atención urgente o de emergencia, o diálisis, y no puede atenderse con un proveedor del plan, como cuando está lejos de su hogar. También puede atenderse fuera del plan o del grupo médico de su PCP para otros servicios que no sean de emergencia si antes Blue Shield TotalDual Plan le da autorización.

- Puede cambiar de proveedor, dentro de la red, en cualquier momento del año. Si se ha atendido antes con un proveedor de la red, no es necesario que se siga atendiendo con ese mismo proveedor. En el caso de algunos proveedores, es posible que necesite una referencia de su PCP. El cambio de PCP será válido el primer día del mes siguiente, siempre y cuando recibamos su pedido

antes del día 20 del mes actual. Para cambiar su PCP, llame a Servicio al Cliente. Cuando llame, asegúrese de decirle a Servicio al Cliente si actualmente se atiende con un especialista o si recibe otros servicios cubiertos para los que se necesita la aprobación de un PCP (como los servicios de atención de la salud en el hogar y el equipo médico duradero). Servicio al Cliente se asegurará de que, al cambiar de PCP, usted pueda seguir recibiendo la atención especializada y los otros servicios; también verificará que el PCP al que desea cambiarse esté aceptando pacientes nuevos, cambiará su registro de membresía para que se muestre el nombre de su nuevo PCP y le indicará cuándo se aplicará el cambio a su nuevo PCP. Además, Servicio al Cliente le enviará una nueva tarjeta de membresía con el nombre y el número de teléfono de su nuevo PCP.

- Recuerde que los PCP de nuestro plan están afiliados con grupos médicos. Si cambia de PCP, es posible que también cambie de grupo médico. Cuando pida el cambio, asegúrese de decirle a Servicio al Cliente si actualmente se atiende con un especialista o si recibe otros servicios cubiertos para los que se necesita la aprobación de un PCP. Servicio al Cliente se asegurará de que, al cambiar de PCP, usted pueda seguir recibiendo la atención especializada y los otros servicios.
- Blue Shield TotalDual Plan trabaja con todos los proveedores de nuestra red para satisfacer las necesidades de las personas con discapacidades. Si corresponde, la lista de proveedores de la red de este Directorio incluye información sobre las adaptaciones que estos ofrecen.
- Si necesita un proveedor y no sabe con seguridad si ofrece las adaptaciones que usted necesita, Blue Shield TotalDual Plan puede brindarle ayuda. Hable con su Coordinador de Atención para obtener ayuda.

C. Lista de proveedores de la red de Blue Shield TotalDual Plan

www.dhcs.ca.gov/services/Pages/ManagedCarePlanDirectory.aspx. Los proveedores de HPSM aparecen aquí: www.hpsm.org/member/choose-a-provider/find-a-provider.

El entrenamiento en competencia cultural es orientación adicional para nuestros proveedores de atención de la salud, que los ayuda a entender mejor su origen, sus valores y sus creencias, y a adaptar los servicios para satisfacer sus necesidades sociales, culturales e idiomáticas.

Los proveedores están ordenados alfabéticamente por apellido. En el Índice que está al final del Directorio también podrá encontrar el nombre del proveedor y la página en la que aparece su información de contacto adicional. En el Índice, los proveedores están ordenados alfabéticamente por apellido. Además de la información de contacto, las listas de proveedores también incluyen las especialidades y las habilidades; por ejemplo, qué idiomas hablan (incluida la lengua de señas estadounidense [ASL, por sus siglas en inglés]) o si completaron el entrenamiento en competencia cultural.
