Section 1 – Introduction

This directory provides a list of Blue Shield Medicare (PPO)'s network providers.

To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*. You can access your plan anytime, anywhere by downloading the mobile app at **bsca.com/mobile** or scanning the QR code.

The network providers listed in this directory have agreed to provide you with health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. For more information about referrals, please read the plan's *Evidence of Coverage (EOC)* for details. Other providers are available in our network.

Out-of-network providers are under no obligation to treat Blue Shield Medicare (PPO) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at (800) 776-4466, 8 a.m. to 8 p.m. PT, seven days a week. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you receive a bill from any out-of-network provider for covered services such as emergency or urgently needed services or out-of-area renal dialysis services, please do not pay it. Instead, please send it to us at the following address:

Blue Shield of California
Medicare Customer Service Department
P.O. Box 927
Woodland Hills, CA 91365

Following our review, we may issue payment for the covered amount. Upon approval, we will process payment for the covered amount, less any applicable copayment or coinsurance obligations.

If you already paid more than your share of the cost of the service, please contact our Customer Service department regarding any overpayment that has occurred.

You can also call our Customer Service Department for assistance at (800) 776-4466, 8 a.m. to 8 p.m. PT, seven days a week. TTY users should call 711.

We must provide you with access to primary care and behavioral health services within the following timeframes:

Appointment Type	**Must Get Appointment Within:**
Urgently needed services or emergency	Immediately
Services that are not emergencies or urgently needed, but require medical attention	7 business days
Routine and preventive care	30 business days

The applicable waiting time for a particular appointment may be extended if the referring or treating licensed health care provider, or the health professional providing triage or screening services, as applicable, acting within the scope of his or her practice and consistent with professionally recognized standards of practice, has determined and noted in the relevant record that a longer waiting time will not have a detrimental impact on the health of the enrollee.

If you need care in an emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room. You do not need to get permission first from your physician or other network provider.

A medical emergency is when you believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, and loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting much worse.

You or someone else should call to tell your physician about your emergency care as soon as possible, preferably within 48 hours.

If you need medical help immediately but your health is not in serious danger, the help you need is called “urgently needed services”. You may go to any urgent care facility listed in this directory if your network provider is unavailable or inaccessible.

If you are treated for a condition that meets the definition of urgently needed services while you are outside the plan service area, we recommend that you return to the service area to get follow-up care through your POC. However, we will cover follow-up care that you get from out-network providers outside the plan service area as long as the care you are receiving meets the definition of “urgently needed services.”

With the exception of emergencies, it may cost more to get care from out-of-network providers.

Sección 1: Introducción

Este directorio incluye una lista de los proveedores de la red de Blue Shield Medicare (PPO).

Para obtener información detallada sobre su cobertura de atención de la salud, lea su *Evidencia de Cobertura (EOC, por sus siglas en inglés)*. Para obtener acceso a su plan en cualquier momento y lugar, puede descargar la aplicación móvil en **bsca.com/mobile** o escanear el código QR.

Los proveedores de la red que se incluyen en este directorio han aceptado brindarle servicios de atención de la salud. Usted puede ir a cualquiera de nuestros proveedores de la red que esté incluido en este directorio, pero es posible que necesite una referencia para obtener algunos servicios. Para ver más detalles sobre las referencias, lea la *Evidencia de Cobertura (EOC)* del plan. Hay otros proveedores disponibles en nuestra red.

Salvo en situaciones de emergencia, los proveedores fuera de la red no tienen la obligación de tratar a las personas inscritas en Blue Shield Medicare (PPO). Para saber si decidiremos cubrir un servicio fuera de la red, les recomendamos a usted o a su proveedor que nos pidan una determinación de la organización previa al servicio antes de recibirlo. Comuníquese con nuestro Departamento de Servicio al Cliente llamando al (800) 776-4466, de 8:00 a. m. a 8:00 p. m. (hora del Pacífico), los siete días de la semana. Los usuarios del sistema TTY deben llamar al 711. También puede consultar su Evidencia de Cobertura (EOC) para obtener más información, incluido el costo compartido que corresponde a los servicios fuera de la red.

Si recibe una factura de cualquier proveedor fuera de la red por servicios cubiertos, como servicios de emergencia o urgentemente necesarios o servicios de diálisis renal fuera del área, no la pague. Envíenos la factura a la siguiente dirección:

Blue Shield of California
Medicare Customer Service Department
P.O. Box 927
Woodland Hills, CA 91365

Después de completar nuestra revisión, es posible que paguemos la cantidad cubierta. Si la aprobamos, procesaremos el pago de la cantidad cubierta menos las cantidades de copago y coseguro aplicables que correspondan.

Si ya pagó más que la parte que le corresponde por el costo del servicio, comuníquese con nuestro departamento de Servicio al Cliente para hablar sobre las cantidades que haya pagado

de más.

Para obtener ayuda, también puede comunicarse con nuestro Departamento de Servicio al Cliente llamando al (800) 776-4466, de 8:00 a. m. a 8:00 p. m. (hora del Pacífico), los siete días de la semana. Los usuarios del sistema TTY deben llamar al 711.

Debemos brindarle acceso a los servicios de atención primaria y de salud de la conducta respetando los tiempos a continuación:

Tipo de cita	**Tiempo para darle la cita:**
Servicios urgentemente necesarios o de emergencia	De inmediato
Servicios que no son de emergencia ni urgentemente necesarios, pero para los que se necesita atención médica	7 días hábiles
Atención preventiva y de rutina	30 días hábiles

Es posible que se extienda el tiempo de espera aplicable para una cita determinada si, habiendo actuado dentro de las responsabilidades de su práctica y habiendo seguido los estándares de práctica reconocidos profesionalmente, el proveedor de atención de la salud con licencia a cargo del tratamiento o que hace la referencia, o el profesional de la salud a cargo del triaje o de los servicios de detección, según corresponda, ha decidido y ha indicado en los registros correspondientes que esperar más tiempo no tendrá un impacto negativo en la salud de la persona inscrita.

Si necesita atención en una emergencia, obtenga ayuda médica lo más rápido posible. Llame al 911 para recibir ayuda, o vaya a la sala de emergencias más cercana. No necesita obtener primero el permiso de su médico ni de otro proveedor de la red.

Hay una emergencia médica cuando usted cree que tiene síntomas médicos que requieren atención médica inmediata para evitar la muerte (y, en caso de una mujer embarazada, la pérdida de un niño en gestación), la pérdida de un miembro o de las funciones de un miembro, y la pérdida o el deterioro grave de una función corporal. Los síntomas médicos pueden incluir una enfermedad, una lesión, un dolor muy fuerte o un problema médico que empeora rápidamente.

Usted u otra persona deben llamar a su médico para avisarle sobre su atención de emergencia cuanto antes; en lo posible, dentro de las 48 horas.

Si necesita ayuda médica inmediata, pero su salud no está en grave peligro, esa ayuda se llama "servicios urgentemente necesarios". Si su proveedor de la red no está disponible o si no puede

comunicarse con él, puede ir a cualquier centro de atención urgente que esté incluido en este directorio.

Si tiene un problema de salud que requiere servicios urgentemente necesarios y recibe tratamiento mientras está fuera del área de servicio del plan, le recomendamos que vuelva al área de servicio para que su médico elegido (POC, por sus siglas en inglés) le brinde atención de seguimiento. Sin embargo, cubriremos la atención de seguimiento que reciba de los proveedores que no son de la red que estén fuera del área de servicio del plan, siempre y cuando la atención recibida siga cumpliendo con la definición de "servicios urgentemente necesarios".

Excepto en los casos de emergencia, puede ser más caro obtener atención de proveedores fuera de la red.

Section 2 – List of Network Providers

Network POCs, specialists, hospitals, urgent care centers, skilled nursing facilities, ambulatory surgery centers, home health care, durable medical equipment, home infusion, and dialysis providers are listed in this directory. Skilled nursing facilities and available Outpatient Mental Health providers are also listed in this directory.

Some hospitals participate in an independent quality program. Hospitals identified with the symbol Ⓛ participate in the Leapfrog Group, an independent California program that works to implement three key practices that have been shown to improve patient safety. Leapfrog hospitals:

1). do computer checks on prescriptions to avoid drug interactions;

2). have a full-time physician specialist on staff in all intensive care units; and

3). perform high-risk surgical procedures, such as heart surgery, only when certain quality criteria are met.

Urgent Care facilities affiliated with your network are listed under Urgent Care Centers. You may use these Urgent Care Facilities or any other Urgent Care facility in your plan service area if you need urgent medical care when your POC's office is closed.

Providers who are not accepting new patients are noted with an asterisk (*). You may choose a provider in this category only if you are currently a patient of that provider. Some Blue Shield Medicare (PPO) providers in our network may no longer be accepting new members. If you're having trouble finding a provider who will accept new members, call Customer Service (800) 776-4466 (TTY: 711) 8:00 a.m. to 8:00 p.m. PT, seven days a week and we'll help you.

Affiliated specialists are listed by specialty and then by last name under each network.

Plan pharmacies are not listed in this directory. You may request a list of these facilities by calling our Customer Service Department or by going to **blueshieldca.com/medpharmacy2026**.

Sección 2: Lista de proveedores de la red

Los POC, los especialistas, los hospitales, los centros de atención urgente, los centros de enfermería especializada, los centros quirúrgicos ambulatorios, la atención de la salud en el hogar, el equipo médico duradero, la infusión en el hogar y los proveedores de diálisis de la red se muestran en este directorio. Los centros de enfermería especializada y los proveedores de servicios de salud mental para pacientes ambulatorios disponibles también están incluidos en la lista de este directorio.

Algunos hospitales participan en un programa de calidad independiente. Los hospitales identificados con el símbolo Ⓛ participan en el programa de California Leapfrog Group, un programa independiente que busca implementar tres prácticas claves que se ha demostrado que mejoran la seguridad del paciente. Los hospitales que participan en el programa Leapfrog:

1). controlan las recetas por computadora para evitar la interacción entre medicamentos;

2). cuentan con un médico especialista de tiempo completo dentro del personal de todas las unidades de cuidado intensivo; y

3). hacen procedimientos quirúrgicos de alto riesgo, como cirugías de corazón, solo cuando se cumple con ciertos criterios de calidad.

Los centros de atención urgente afiliados a su red se incluyen en la sección "Centros de atención urgente". Puede usar estos u otros centros de atención urgente dentro del área de servicio de su plan si necesita atención médica urgente cuando el consultorio de su POC esté cerrado.

Los proveedores que no aceptan nuevos pacientes se indican con un asterisco (*). Puede elegir a un proveedor de esta categoría únicamente si es paciente actual de ese proveedor. Es posible que algunos proveedores de Blue Shield Medicare (PPO) de nuestra red ya no acepten miembros nuevos. Si tiene problemas para encontrar un proveedor que acepte miembros nuevos, llame a Servicio al Cliente al (800) 776-4466 (TTY: 711), de 8:00 a. m. a 8:00 p. m. (hora del Pacífico), los siete días de la semana para que le ayudemos.

Los especialistas afiliados se muestran dentro de cada red ordenados por especialidad y, después, por apellido.

Las farmacias del plan no se incluyen en este directorio. Para pedir una lista de estas farmacias, llame a nuestro Departamento de Servicio al Cliente o visite **blueshieldca.com/medpharmacy2026**.
