2. About your health plan

Health plan overview

Blue Shield Promise is the health plan for people who have Medi-Cal in Los Angeles County. Blue Shield Promise works with the State of California to help you get the health care you need.

Talk with one of the Blue Shield Promise Customer Care representatives to learn more about the health plan and how to make it work for you. Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

When your coverage starts and ends

When you enroll in Blue Shield Promise, we will send your Blue Shield Promise Identification (ID) card within two weeks of your enrollment date. You must show both your Blue Shield Promise ID card and your Medi-Cal BIC when you get health care services or prescriptions.

Your Medi-Cal coverage will need renewing every year. If your local county office cannot renew your Medi-Cal coverage electronically, the county will send you a pre-populated Medi-Cal renewal form. Complete this form and return it to your local county human services agency. You can return your information in person, by phone, by mail, online, or by other electronic means available in your county.

Everyone's renewal date is different. Make sure you can be reached when it's time to renew. Report address, phone number or email changes to your local Los Angeles County Department of Public Social Services office right away at 1-866-613-3777 (TTY 711), Monday through Friday, excluding holidays 7:30 a.m. – 6:30 p.m. If you need help completing your annual renewal or have questions contact the Blue Shield of California Promise Health Plan Medi-Cal Retention Department at 1-855-636-5251 (TTY 711), Monday through Friday, excluding holidays 7:30 a.m. – 6 p.m.

Blue Shield Promise is a health plan for Medi-Cal members in Los Angeles. Find your local office at <http://www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx>.

Blue Shield Promise eligibility may end if any of the following is true:

- You move out of Los Angeles
- You no longer have Medi-Cal
- You become eligible for a waiver program that requires you to be enrolled in Fee-for-Service (FFS) Medi-Cal
- You are in jail or prison

If you lose your Blue Shield Promise Medi-Cal coverage, you may still qualify for FFS Medi-Cal coverage. If you are not sure if you are still covered by Blue Shield Promise, please call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Special considerations for American Indians in managed care

American Indians have a right to not enroll in a Medi-Cal managed care plan. Or they may leave their Medi-Cal managed care plan and return to FFS Medi-Cal at any time and for any reason.

If you are an American Indian, you have the right to get health care services at an Indian Health Care Provider (IHCP). You can also stay with or disenroll (drop) from Blue Shield Promise while getting health care services from these locations. To learn more about enrollment and disenrollment, call 1-800-605-2556 (TTY 711).

Blue Shield Promise must provide care coordination for you, including out-of-network case management. If you ask to get services from an IHCP and there is no available in-network IHCP, Blue Shield Promise must help you find an out-of-network IHCP. To learn more, read “Provider network” in Chapter 3 of this handbook.

How your plan works

Blue Shield Promise is a managed care health plan contracted with L.A. Care. Blue Shield Promise works with doctors, hospitals, and other health care providers in the Blue Shield Promise service area to provide health care to our members. As a member of Blue Shield Promise, you may qualify for some services provided through FFS Medi-Cal. These

Students who move to a new county or out of California

You can get emergency care and urgent care anywhere in the United States, including the U.S. Territories. Routine and preventive care are covered only in your county of residence. If you are a student who moves to a new county in California to attend higher education, including college, Blue Shield Promise will cover emergency room and urgent care services in your new county. You can also get routine or preventive care in your new county, but you must notify Blue Shield Promise. Read more below.

If you are enrolled in Medi-Cal and are a student in a different county from the California county where you live, you do not need to apply for Medi-Cal in that county.

If you temporarily move away from home to be a student in another county in California, you have two choices. You can:

- Tell your eligibility worker at the Los Angeles County Department of Public Social Services by calling 1-866-613-3777 or visiting <http://dpss.lacounty.gov> to report that you are temporarily moving to attend a school for higher education and give them your address in the new county. The county will update the case records with your new address and county code. You must do this if you want to keep getting routine or preventive care while you live in a new county. If Blue Shield Promise does not serve the county where you will attend college, you might have to change health plans if Blue Shield Promise does not operate in the county where you will attend college. For questions and to prevent delay joining the new health plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

Or

- If Blue Shield Promise does not serve the new county where you attend college, and you do not change your health plan to one that serves that county, you will only get emergency room and urgent care services for some conditions in the new county. To learn more, read Chapter 3, “How to get care.” For routine or preventive health care, you would need to use the Blue Shield Promise network of providers located in the head of household’s county of residence.

If you are leaving California temporarily to be a student in another state and you want to keep your Medi-Cal coverage, contact your eligibility worker at the Los Angeles County Department of Public Social Services. As long as you qualify, Medi-Cal will cover

emergency services and urgent care in another state. If Blue Shield Promise approves the service and the doctor and hospital meet Medi-Cal rules, Medi-Cal will also cover emergency care that requires hospitalization in Canada and Mexico.

Routine and preventive care services, including prescription drugs, are not covered when you are outside of California. You will not qualify for Medi-Cal. Blue Shield Promise will not pay for your health care. If you want Medicaid in another state, you will need to apply in that state. Medi-Cal does not cover emergency, urgent, or any other health care services outside of the United States, except for Canada and Mexico as noted in Chapter 3.

Continuity of care

Continuity of care for an out-of-network provider

As a member of Blue Shield Promise, you will get your health care from providers in Blue Shield Promise's network. To find out if a health care provider is in the Blue Shield Promise's network, please read the provider directory online at <https://www.blueshieldca.com/fad/home>. The directory lists: primary care doctors, specialists, hospitals and facilities, Federally Qualified Health Care (FQHC) clinics, behavioral health service providers and vision service providers. Providers not listed in the directory may not be in the Blue Shield Promise network.

In some cases, you might be able to get care from providers who are not in the Blue Shield Promise network. If you were required to change your health plan or to switch from FFS to managed care, or you had a provider who was in network but is now outside the network, you might be able to keep your provider even if they are not in the Blue Shield Promise network. This is called continuity of care.

If you need to get care from a provider who is outside the network, call Blue Shield Promise to ask for continuity of care. You may be able to get continuity of care for up to 12 months or more if all of these are true:

- You have an ongoing relationship with the out-of-network provider before enrollment in Blue Shield Promise
- You went to the out-of-network provider for a non-emergency visit at least once during the 12 months before your enrollment with Blue Shield Promise
- The out-of-network provider is willing to work with Blue Shield Promise and agrees to Blue Shield Promise's contract requirements and payment for services

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at [blueshieldca.com/promise/medi-cal](https://www.blueshieldca.com/promise/medi-cal).

- The out-of-network provider meets Blue Shield Promise’s professional standards
- The out-of-network provider is enrolled and participating in the Medi-Cal program

To learn more, call Customer Care at 1-800-605-2556 (TTY 711).

If your providers do not join the Blue Shield Promise network by the end of 12 months, do not agree to Blue Shield Promise payment rates, or do not meet quality of care requirements, you will need to change to providers in the Blue Shield Promise network. To discuss your choices, call Customer Care at 1-800-605-2556 (TTY 711).

Blue Shield Promise is not required to provide continuity of care for an out-of-network provider for certain ancillary (supporting) services such as radiology, laboratory, dialysis centers, or transportation. You will get these services with a provider in Blue Shield Promise’s network.

To learn more about continuity of care and if you qualify, call 1-800-605-2556 (TTY 711).

Completion of covered services from an out-of-network provider

As a member of Blue Shield Promise, you will get covered services from providers in Blue Shield Promise’s network. If you are being treated for certain health conditions at the time you enrolled with Blue Shield Promise or at the time your provider left Blue Shield Promise’s network, you might also still be able to get Medi-Cal services from an out-of-network provider.

You might be able to continue care with an out-of-network provider for a specific time period if you need covered services for these health conditions:

Health condition	Time period
Acute conditions (a medical issue that needs fast attention)	For as long as your acute condition lasts
Serious chronic physical and behavioral conditions (a serious health care issue you have had for a long time)	For an amount of time required to finish your course of treatment and to safely move you to a new doctor in the Blue Shield Promise network
Pregnancy and postpartum (after birth) care	During your pregnancy and up to 12 months after the end of pregnancy
Maternal mental health services	For up to 12 months from the diagnosis or from the end of your pregnancy, whichever is later

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Care of a newborn child between birth and 36 months old	For up to 12 months from the start date of the coverage or the date the provider's contract ends with Blue Shield Promise
Terminal illness (a life-threatening medical issue)	For as long as your illness lasts. You may still get services for more than 12 months from the date you enrolled with Blue Shield Promise or the time the provider stops working with Blue Shield Promise
Performance of a surgery or other medical procedure from an out-of-network provider as long as it is covered, medically necessary, and authorized by Blue Shield Promise as part of a documented course of treatment and recommended and documented by the provider	The surgery or other medical procedure must take place within 180 days of the provider's contract termination date or 180 days from the effective date of your enrollment with Blue Shield Promise

For other conditions that might qualify, call 1-800-605-2556 (TTY 711).

If an out-of-network provider is not willing to keep providing services or does not agree to Blue Shield Promise's contract requirements, payment, or other terms for providing care, you will not be able to get continued care from the provider. You may be able to keep getting services from a different provider in Blue Shield Promise's network.

For help choosing a contracted provider to continue with your care or if you have questions or problems getting covered services from a provider who is no longer in Blue Shield Promise's network, call Customer Care at 1-800-605-2556 (TTY 711).

Blue Shield Promise is not required to provide continuity of care for services Medi-Cal does not cover or that are covered under Medi-Cal's contract with DHCS. To learn more about continuity of care, eligibility, and available services, call 1-800-605-2556 (TTY 711).

Costs

Member costs

Blue Shield Promise serves people who qualify for Medi-Cal. In most cases, Blue Shield Promise members do not have to pay for covered services, premiums, or deductibles.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

If you are an American Indian, you do not have to pay enrollment fees, premiums, deductibles, co-pays, cost sharing, or other similar charges. Blue Shield Promise must not charge any American Indian member who gets an item or service directly from an IHCP or through a referral to an IHCP or reduce payments due to an IHCP by the amount of any enrollment fee, premium, deductible, copayment, cost sharing, or similar charge.

Except for emergency care, urgent care, or sensitive care, you must get pre-approval (prior authorization) from Blue Shield Promise before you visit a provider outside the Blue Shield Promise network. If you do not get pre-approval (prior authorization) and you go to a provider outside the network for care that is not emergency care, urgent care, or sensitive care, you might have to pay for care you got from that provider. For a list of covered services, read Chapter 4, “Benefits and services” in this handbook. You can also find the Provider Directory on the Blue Shield Promise website at blueshieldca.com/promise/medi-cal.

For members with long-term care and a share of cost

You might have to pay a share of cost each month for your long-term care services. The amount of your share of cost depends on your income and resources. Each month, you will pay your own health care bills, including but not limited to Long-Term Support Service (LTSS) bills, until the amount you have paid equals your share of cost. After that, Blue Shield Promise will cover your long-term care for that month. You will not be covered by Blue Shield Promise until you have paid your entire long-term care share of cost for the month.

How a provider gets paid

Blue Shield Promise pays providers in these ways:

- Capitation payments
 - Blue Shield Promise pays some providers a set amount of money every month for each Blue Shield Promise member. This is called a capitation payment. Blue Shield Promise and providers work together to decide on the payment amount.
- FFS payments
 - Some providers give care to Blue Shield Promise members and send Blue Shield Promise a bill for the services they provided. This is called an FFS payment. Blue Shield Promise and providers work together to decide how much each service costs.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

To learn more about how Blue Shield Promise pays providers, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Provider incentive programs

Blue Shield Promise has provider incentive programs to improve your care and your experience with Blue Shield Promise providers. These programs help improve:

- Quality of care
- Access and availability to care and services
- Treatments provided
- Member satisfaction

To learn more about these programs, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

If you get a bill from a health care provider

Covered services are health care services that Blue Shield Promise must pay. If you get a bill for support services fees, copayments, or registration fees for a covered service, do not pay the bill. Call Blue Shield Promise Customer Care right away at 1-800-605-2556 (TTY 711).

If you get a bill from a pharmacy for a prescription drug, supplies, or supplements, call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m. You can also go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Asking Blue Shield Promise to pay you back for expenses

If you paid for services that you already got, you might qualify to be reimbursed (paid back) if you meet **all** of these conditions:

- The service you got is a covered service that Blue Shield Promise is responsible for paying. Blue Shield Promise will not reimburse you for a service that Blue Shield Promise does not cover.
- You got the covered service after you became an eligible Blue Shield Promise member.
- You ask to be paid back within one year from the date you got the covered service.
- You show proof that you paid for the covered service, such as a detailed receipt from the provider.
- You got the covered service from a Medi-Cal enrolled provider in Blue Shield Promise's network. You do not need to meet this condition if you got emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

- If the covered service normally requires pre-approval (prior authorization), you need to give proof from the provider that shows a medical need for the covered service.

Blue Shield Promise will tell you if we will reimburse you in a letter called a Notice of Action (NOA). If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, Blue Shield Promise will pay you back for the full amount you paid. We must reimburse you within 45 working days of receipt of the claim.

If the provider is enrolled in Medi-Cal but is not in the Blue Shield Promise network and refuses to pay you back, Blue Shield Promise will pay you back, but only up to the amount that FFS Medi-Cal would pay. Blue Shield Promise will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval (prior authorization). If you do not meet one of the above conditions, Blue Shield Promise will not pay you back.

Blue Shield Promise will not pay you back if:

- You asked for and got services that are not covered by Medi-Cal, such as cosmetic services
- The service is not a covered service for Blue Shield Promise
- You have an unmet Medi-Cal share of cost
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself
- You have Medicare Part D co-pays for prescriptions covered by your Medicare Part D plan

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

3. How to get care

Getting health care services

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

You can start getting health care services on your effective date of enrollment in Blue Shield Promise. Always carry with you your Blue Shield Promise Identification (ID) card, Medi-Cal Benefits Identification Card (BIC), and any other health insurance cards. Never let anyone else use your BIC or Blue Shield Promise ID card.

New members with only Medi-Cal coverage must choose a primary care provider (PCP) in the Blue Shield Promise network. New members with both Medi-Cal and comprehensive other health coverage do not have to choose a PCP.

The Blue Shield Promise network is a group of doctors, hospitals, and other providers who work with Blue Shield Promise. You must choose a PCP within 30 days from the time you become a member of Blue Shield Promise. If you do not choose a PCP, Blue Shield Promise will choose one for you.

You can choose the same PCP or different PCPs for all family members in Blue Shield Promise, as long as the PCP is available.

If you have a doctor you want to keep, or you want to find a new PCP, go to the Provider Directory for a list of all PCPs and other providers in the Blue Shield Promise network. The Provider Directory has other information to help you choose a PCP. If you need a Provider Directory, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You can also find the Provider Directory on the Blue Shield Promise website at blueshieldca.com/promise/medi-cal.

If you cannot get the care you need from a participating provider in the Blue Shield Promise network, your PCP or specialist in Blue Shield Promise's network must ask Blue Shield Promise for approval to send you to an out-of-network provider. This is called a referral. You do not need a referral to go to an out-of-network provider to get sensitive care services listed under the heading "Sensitive care" later in this chapter.

Read the rest of this chapter to learn more about PCPs, the Provider Directory, and the

provider network.

The Medi-Cal Rx program administers outpatient prescription drug coverage. To learn more, read “Other Medi-Cal programs and services” in Chapter 4.

Primary care provider (PCP)

Your primary care provider (PCP) is the licensed provider you go to for most of your health care. Your PCP also helps you get other types of care you need. You must choose a PCP within 30 days of enrolling in Blue Shield Promise. Depending on your age and sex, you can choose a general practitioner, OB/GYN, family practitioner, internist, or pediatrician as your PCP.

A nurse practitioner (NP), physician assistant (PA), or certified nurse midwife can also act as your PCP. If you choose an NP, PA, or certified nurse midwife, you can be assigned a doctor to oversee your care. If you are in both Medicare and Medi-Cal, or if you also have other comprehensive health care insurance, you do not have to choose a PCP.

You can choose an Indian Health Care Provider (IHCP), Federally Qualified Health Center (FQHC), or Rural Health Clinic (RHC) as your PCP. Depending on the type of provider, you might be able to choose one PCP for yourself and your other family members who are members of Blue Shield Promise, as long as the PCP is available.

Note: American Indians can choose an IHCP as their PCP, even if the IHCP is not in the Blue Shield Promise network.

If you do not choose a PCP within 30 days of enrollment, Blue Shield Promise will assign you to a PCP. If you are assigned to a PCP and want to change, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). The change happens the first day of the next month.

Your PCP will:

- Get to know your health history and needs
- Keep your health records
- Give you the preventive and routine health care you need
- Refer (send) you to a specialist if you need one
- Arrange for hospital care if you need it

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

You can look in the Provider Directory to find a PCP in the Blue Shield Promise network. The Provider Directory has a list of IHCPs, FQHCs, and RHCs that work with Blue Shield Promise.

You can find the Blue Shield Promise Provider Directory online at blueshieldca.com/promise/medi-cal. Or you can request a Provider Directory to be mailed to you by calling Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You can also call to find out if the PCP you want is taking new patients.

Choice of doctors and other providers

You know your health care needs best, so it is best if you choose your PCP. It is best to stay with one PCP so they can get to know your health care needs. If you want to change to a new PCP, you can change anytime. You must choose a PCP who is in the Blue Shield Promise provider network and is taking new patients.

Your new choice will become your PCP on the first day of the next month after you make the change.

To change your PCP, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You may also change your PCP by logging onto the Blue Shield Promise member resource portal at blueshieldca.com/promise/medi-cal.

Blue Shield Promise can change your PCP if the PCP is not taking new patients, has left the Blue Shield Promise network, does not give care to patients your age, or if there are quality concerns with the PCP that are not resolved. Blue Shield Promise or your PCP might also ask you to change to a new PCP if you cannot get along with or agree with your PCP, or if you miss or are late to appointments. If Blue Shield Promise needs to change your PCP, Blue Shield Promise will tell you in writing.

If your PCP changes, you will get a letter and new Blue Shield Promise member ID card in the mail. It will have the name of your new PCP. Call Customer Care if you have questions about getting a new ID card.

Some things to think about when picking a PCP:

- Does the PCP take care of children?
- Does the PCP work at a clinic I like to use?
- Is the PCP's office close to my home, work, or my children's school?
- Is the PCP's office near where I live and is it easy to get to the PCP's office?
- Do the doctors and staff speak my language?

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

- Does the PCP work with a hospital I like?
- Does the PCP provide the services I need?
- Do the PCP's office hours fit my schedule?
- Does the PCP work with specialists I use?

Initial Health Appointment (IHA)

Blue Shield Promise recommends that, as a new member, you visit your new PCP within 120 days for an Initial Health Appointment (IHA). The purpose of the IHA is to help your PCP learn your health care history and needs. Your PCP might ask you questions about your health history or may ask you to complete a questionnaire. Your PCP will also tell you about health education counseling and classes that can help you.

When you call to schedule your IHA appointment, tell the person who answers the phone that you are a member of Blue Shield Promise. Give your Blue Shield Promise ID number.

Take your BIC and Blue Shield Promise ID card to your appointment. It is a good idea to take a list of your medicine and questions with you to your visit. Be ready to talk with your PCP about your health care needs and concerns.

Be sure to call your PCP's office if you are going to be late or cannot go to your appointment.

If you have questions about IHA, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Routine care

Routine care is regular health care. It includes preventive care, also called wellness or well care. It helps you stay healthy and helps keep you from getting sick. Preventive care includes regular checkups, health education, and counseling.

Blue Shield Promise recommends that children, especially, get regular routine and preventive care. Blue Shield Promise members can get all recommended early preventive services recommended by the American Academy of Pediatrics and the Centers for Medicare and Medicaid Services. These screenings include hearing and vision screening, which can help ensure healthy development and learning. For a list of pediatrician-recommended services, read the "Bright Futures" guidelines from the American Academy of Pediatrics at

https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf.

Visit online at blueshieldca.com/promise/medi-cal.

Routine care also includes care when you are sick. Blue Shield Promise covers routine care from your PCP.

Your PCP will:

- Give you most of your routine care, including regular checkups, shots, treatment, prescriptions, and medical advice
- Keep your health records
- Refer (send) you to specialists if needed
- Order X-rays, mammograms, or lab work if you need them

When you need routine care, you will call your doctor for an appointment. Be sure to call your PCP before you get medical care unless it is an emergency. For an emergency, call **911** or go to the nearest emergency room.

To learn more about health care and services your plan covers, and what it does not cover, read Chapter 4, “Benefits and services” and Chapter 5, “Child and youth well care” in this handbook.

All Blue Shield Promise providers can use aids and services to communicate with people with disabilities. They can also communicate with you in another language or format. Tell your provider or Blue Shield Promise what you need.

Provider network

The Medi-Cal provider network is the group of doctors, hospitals, and other providers that work with Blue Shield Promise to provide Medi-Cal covered services to Medi-Cal members.

Blue Shield Promise is a managed care health plan. You must get most of your covered services through the Blue Shield Promise from our in-network providers. You can go to an out-of-network provider without a referral or pre-approval for emergency care or for family planning services. You can also go to an out-of-network provider for out-of-area urgent care when you are in an area that we do not serve. You must have a referral or pre-approval for all other out-of-network services, or they will not be covered.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

Note: American Indians can choose an IHCP as their PCP, even if the IHCP is not in the Blue Shield Promise network.

If your PCP, hospital, or other provider has a moral objection to providing you with a covered service, such as family planning or abortion, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). For more about moral objections, read “Moral objection” later in this chapter.

If your provider has a moral objection to giving you covered health care services, they can help you find another provider who will give you the services you need. Blue Shield Promise can also help you find a provider who will perform the service.

In-network providers

You will use providers in the Blue Shield Promise network for most of your health care needs. You will get preventive and routine care from in-network providers. You will also use specialists, hospitals, and other providers in the Blue Shield Promise network.

To get a Provider Directory of in-network providers, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You can also find the Provider Directory online at blueshieldca.com/promise/medi-cal. To get a copy of the Contract Drugs List, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

You must get pre-approval (prior authorization) from Blue Shield Promise before you go to a provider outside the Blue Shield Promise network, including inside the Blue Shield Promise service area, except in these cases:

- If you need emergency care, call 911 or go to the nearest hospital.
- If you are outside the Blue Shield Promise service area and need urgent care, go to any urgent care facility.
- If you need family planning services, go to any Medi-Cal provider without pre-approval (prior authorization).
- If you need mental health services, go to an in-network provider or a county mental health plan provider, without pre-approval (prior authorization).

If you are not in one of the cases listed above and you do not get pre-approval (prior authorization) before getting care from a provider outside the network, you might be responsible for paying for any care you got from out-of-network providers.

Out-of-network providers who are inside the service area

Out-of-network providers are health care providers that do not have an agreement to

work with Blue Shield Promise. Except for emergency care, you might have to pay for any care you get from out-of-network providers. If you need medically necessary health care services that are not available in the network, you might be able to get them from an out-of-network provider at no cost to you.

Blue Shield Promise may approve a referral to an out-of-network provider if the services you need are not available in-network or are located very far from your home. If we give you a referral to an out-of-network provider, we will pay for your care.

For urgent care inside the Blue Shield Promise service area, you must go to a Blue Shield Promise in-network urgent care provider. You do not need pre-approval (prior authorization) to get urgent care from an in-network provider. You do need to get pre-approval (prior authorization) to get urgent care from an out-of-network provider inside the Blue Shield Promise service area.

If you get urgent care from an out-of-network provider inside Blue Shield Promise service area, you might have to pay for that care. You can read more about emergency care, urgent care, and sensitive care services in this chapter.

Note: If you are an American Indian, you can get care at an IHCP outside of our provider network without a referral. An out-of-network IHCP can also refer American Indian members to an in-network provider without first requiring a referral from an in-network PCP.

If you need help with out-of-network services, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Outside the service area

If you are outside of the Blue Shield Promise service area (Los Angeles County) and need care that is **not** an emergency or urgent, call your PCP right away. Or call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Members that need non-emergency or non-urgent care outside of the Blue Shield Promise service area (Los Angeles County) and/or provider network, must have pre-approval prior to getting the service. Please call your PCP or Blue Shield Promise Customer Care.

For emergency care, call **911** or go to the nearest emergency room. Blue Shield Promise covers out-of-network emergency care. If you travel to Canada or Mexico and need emergency care requiring hospitalization, Blue Shield Promise will cover your care. If you are traveling abroad outside of Canada or Mexico and need emergency care, urgent care, or any health care services Blue Shield Promise will **not** cover your care.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

If you paid for emergency care requiring hospitalization in Canada or Mexico, you can ask Blue Shield Promise to pay you back. Blue Shield Promise will review your request.

If you are in another state or are in a US Territory such as American Samoa, Guam, Northern Mariana Islands, Puerto Rico, or US Virgin Islands, you are covered for emergency care. Not all hospitals and doctors accept Medicaid. (Medi-Cal is what Medicaid is called in California only.) If you need emergency care outside of California, tell the hospital or emergency room doctor as soon as possible that you have Medi-Cal and are a member of Blue Shield Promise.

Ask the hospital to make copies of your Blue Shield Promise ID card. Tell the hospital and the doctors to bill Blue Shield Promise. If you get a bill for services you got in another state, call Blue Shield Promise right away. We will work with the hospital and/or doctor to arrange for Blue Shield Promise to pay for your care.

If you are outside of California and have an emergency need to fill outpatient prescription drugs, have the pharmacy call Medi-Cal Rx at 1-800-977-2273.

Note: American Indians may get services at out-of-network IHCPs.

If you have questions about out-of-network or out-of-service-area care, call 1-800-605-2556 (TTY 711). If the office is closed and you want help from a representative, call the Nurse Advice Line 24 hours a day, 7 days a week, including holidays at 1-800-609-4166.

If you need urgent care outside of the Blue Shield Promise service area, go to the nearest urgent care facility. If you are traveling outside the United States and need urgent care, Blue Shield Promise will not cover your care. For more on urgent care, read “Urgent care” later in this chapter.

Delegated Model Managed Care Plans

Blue Shield Promise works with a large number of doctors, specialists, hospitals, and other health care providers. Some of these providers work within a network, sometimes called a “medical group” or an “independent practice association (IPA).” These providers may also be directly contracted with Blue Shield Promise.

Your primary care provider (PCP) will refer you to specialists and services that are connected with his or her medical group, IPA or with Blue Shield Promise. If you are going to a specialist already, talk with your PCP or call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise Customer Care will help you see that provider if you are eligible for continuity of care. For more information, go to the continuity of care section in this handbook.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

How managed care works

Blue Shield Promise is a managed care plan. Blue Shield Promise provides care to members who live or work in Los Angeles County. In managed care, your PCP, specialists, clinic, hospital, and other providers work together to care for you.

Blue Shield Promise contracts with medical groups to provide care to Blue Shield Promise members. A medical group is made up of doctors who are PCPs and specialists. The medical group works with other providers such as laboratories and durable medical equipment suppliers. The medical group is also connected with a hospital. Check your Blue Shield Promise ID card for the names of your PCP, medical group, and hospital.

When you join Blue Shield Promise, you choose or are assigned to a PCP. Your PCP is part of a medical group. Your PCP and medical group direct the care for all of your medical needs. Your PCP may refer you to specialists or order lab tests and X-rays. If you need services that require pre-approval (prior authorization), Blue Shield Promise or your medical group will review the pre-approval (prior authorization) and decide whether to approve the service.

In most cases, you must go to specialists and other health professionals who work with the same medical group as your PCP. Except for emergencies, you must also get hospital care from the hospital connected with your medical group.

Sometimes, you might need a service that is not available from a provider in the medical group. In that case, your PCP will refer you to a provider who is in another medical group or is outside the network. Your PCP will ask for pre-approval (prior authorization) for you to go to this provider.

In most cases, you must have prior authorization from your PCP, medical group, or Blue Shield Promise before you can go to an out-of-network provider or a provider who is not part of your medical group. You do not need pre-approval (prior authorization) for emergency services, family planning services, or in-network mental health services.

Doctors

You will choose a doctor from the Blue Shield Promise Provider Directory as your PCP. The doctor you choose must be an in-network provider. To get a copy of the Blue Shield Promise Provider Directory, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Or find it online at blueshieldca.com/promise/medi-cal.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

If you are choosing a new PCP, you should also call the PCP you want to make sure they are taking new patients.

If you had a doctor before you were a member of Blue Shield Promise, and that doctor is not part of the Blue Shield Promise network, you might be able to keep that doctor for a limited time. This is called continuity of care. You can read more about continuity of care in this handbook. To learn more, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

If you need a specialist, your PCP will refer you to a specialist in the Blue Shield Promise network. Some specialists do not require a referral. For more on referrals, read “Referrals” later in this chapter.

Remember, if you do not choose a PCP, Blue Shield Promise will choose one for you, unless you have other comprehensive health coverage in addition to Medi-Cal. You know your health care needs best, so it is best if you choose. If you are in both Medicare and Medi-Cal, or if you have other health care insurance, you do not have to choose a PCP from Blue Shield Promise.

If you want to change your PCP, you must choose a PCP from the Blue Shield Promise Provider Directory. Be sure the PCP is taking new patients. To change your PCP, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711) You may also change your PCP by logging onto the Blue Shield Promise portal.

Hospitals

In an emergency, call **911** or go to the nearest hospital.

If it is not an emergency and you need hospital care, your PCP will decide which hospital you go to. You will need to go to a hospital that your PCP uses and is in the Blue Shield Promise provider network. The Provider Directory lists the hospitals in the Blue Shield Promise network.

Women’s health specialists

You can go to a women’s health specialist in Blue Shield Promise’s network for covered care necessary to provide women’s routine care services. You do not need a referral or authorization from your PCP to get these services. For help finding a women’s health specialist, you can call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You can also call the 24/7 Nurse Advice Line at 1-800-609-4166.

Provider Directory

The Blue Shield Promise Provider Directory lists providers in the Blue Shield Promise network. The network is the group of providers that work with Blue Shield Promise.

The Blue Shield Promise Provider Directory lists hospitals, PCPs, specialists, nurse practitioners, nurse midwives, physician assistants, family planning providers, FQHCs, outpatient mental health providers, managed long-term services and supports (MLTSS), Freestanding Birth Centers (FBCs), IHCPs, and RHCs.

The Provider Directory has Blue Shield Promise in-network provider names, specialties, addresses, phone numbers, business hours, and languages spoken. It tells you if the provider is taking new patients. It also gives the physical accessibility for the building, such as parking, ramps, stairs with handrails, and restrooms with wide doors and grab bars. To learn more about a doctor's education, training, and board certification, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

You can find the online Provider Directory at blueshieldca.com/promise/medi-cal.

If you need a printed Provider Directory, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

You can find a list of pharmacies that work with Medi-Cal Rx in the Medi-Cal Rx Pharmacy Directory at <https://medi-calrx.dhcs.ca.gov/home/>. You can also find a pharmacy near you by calling Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

Timely access to care

Your in-network provider must provide timely access to care based on your health care needs. At minimum, they must offer you an appointment listed in the time frames in the table below.

Appointment type	You should be able to get an appointment within:
Urgent care appointments that do not require pre-approval (prior authorization)	48 hours
Urgent care appointments that do require pre-approval (prior authorization)	96 hours

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

Appointment type	You should be able to get an appointment within:
Non-urgent (routine) primary care appointments	10 business days
Non-urgent (routine) specialist care appointments	15 business days
Non-urgent (routine) mental health provider (non-doctor) care appointments	10 business days
Non-urgent (routine) mental health provider (non-doctor) follow-up care appointments	10 business days of last appointment
Non-urgent (routine) appointments for ancillary (supporting) services for the diagnosis or treatment of injury, illness, or other health condition	15 business days

Other wait time standards	You should be able to get connected within:
Customer Care telephone wait times during normal business hours	10 minutes
Telephone wait times for Nurse Advice Line	30 minutes (connected to nurse)

Sometimes waiting longer for an appointment is not a problem. Your provider might give you a longer wait time if it would not be harmful to your health. It must be noted in your record that a longer wait time will not be harmful to your health. Also, if you prefer to wait for a later appointment that will better fit your schedule or go to another provider of your choice, your provider or your Blue Shield Promise will respect your wish.

Your doctor may recommend a specific schedule for preventive services, follow-up care for ongoing conditions, or standing referrals to specialists, depending on your needs.

Tell us if you need interpreter services when you call Blue Shield Promise or when you get covered services. Interpreter services, including sign language, are available at no cost to you. We highly discourage the use of minors or family members as interpreters. To learn more about interpreter services we offer, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

If you need interpreter services, including sign language, at a Medi-Cal Rx pharmacy, call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m.

Travel time or distance to care

Blue Shield Promise must follow travel time or distance standards for your care. Those standards help make sure you can get care without having to travel too far from where you live. Travel time or distance standards depend on the county you live in.

If Blue Shield Promise is not able to provide care to you within these travel time or distance standards, DHCS may allow a different standard, called an alternative access standard. For Blue Shield Promise's time or distance standards for where you live, visit blueshieldca.com/promise/medi-cal. Or call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

If you need care from a provider located far from where you live, call Customer Care at Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). They can help you find care with a provider located closer to you. If Blue Shield Promise cannot find care for you from a closer provider, you can ask Blue Shield Promise to arrange transportation for you to go to your provider, even if that provider is located far from where you live.

If you need help with pharmacy providers, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

It is considered far if you cannot get to that provider within the Blue Shield Promise's travel time or distance standards for your county, regardless of any alternative access standard Blue Shield Promise might use for your ZIP Code.

Appointments

When you need health care:

- Call your PCP
- Have your Blue Shield Promise ID number ready on the call
- Leave a message with your name and phone number if the office is closed
- Take your BIC and Blue Shield Promise ID card to your appointment
- Ask for transportation to your appointment, if needed
- Ask for needed language assistance or interpreting services before your appointment to have the services at the time of your visit

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

- Be on time for your appointment, arrive a few minutes early to sign in, fill out forms, and answer any questions your PCP may have
- Call right away if you cannot keep your appointment or will be late
- Have your questions and medication information ready

If you have an emergency, call **911** or go to the nearest emergency room. If you need help deciding how urgently you need care and your PCP is not available to speak with you, call the Nurse Advice Line 24 hours a day, 7 days a week, including holidays at 1-800-609-4166 (TTY 711).

Getting to your appointment

If you don't have a way to get to and from your appointments for covered services, Blue Shield Promise can help arrange transportation for you. Depending on your situation, you may qualify for either Medical Transportation or for Non-Medical Transportation. These transportation services are not for emergencies and may be available at no cost to you.

If you are having an emergency, call **911**. Transportation is available for services and appointments not related to emergency care. They may be available at no cost to you.

To learn more, read, "Transportation benefits for situations that are not emergencies" below.

Canceling and rescheduling

If you can't get to your appointment, call your provider's office right away. Most doctors require you to call 24 hours (1 business day) before your appointment if you have to cancel. If you miss repeated appointments, your doctor might stop providing care to you and you will have to find a new doctor.

Payment

You do **not** have to pay for covered services unless you have a share of cost for long-term care. To learn more, read "For members with long-term care and a share of cost" in Chapter 2. In most cases, you will not get a bill from a provider. You must show your Blue Shield Promise ID card and your Medi-Cal BIC when you get health care services or prescriptions, so your provider knows who to bill. You can get an Explanation of Benefits (EOB) or a statement from a provider. EOBs and statements are not bills.

If you do get a bill, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY _____

711). If you get a bill for prescriptions, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Or visit the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Tell Blue Shield Promise the amount you are being charged, the date of service, and the reason for the bill. You do not need to pay providers for any amount owed by Blue Shield Promise for any covered service. You must get pre-approval (prior authorization) from Blue Shield Promise before you visit an out-of-network provider except when:

- You need emergency services, in which case dial 911 or go to the nearest hospital
- You need family planning services or services related to testing for sexually transmitted infections, in which case you can go to any Medi-Cal provider without pre-approval (prior authorization)
- You need mental health services, in which case you can go to an in-network provider or to a county mental health plan provider without pre-approval (prior authorization)

If you get care from an out-of-network provider and you did not get pre-approval (prior authorization) from Blue Shield Promise, you might have to pay for the care you got. If you need to get medically necessary care from an out-of-network provider because it is not available in the Blue Shield Promise network, you will not have to pay as long as the care is a Medi-Cal covered service and you got pre-approval (prior authorization) from Blue Shield Promise for it. To learn more about emergency care, urgent care, and sensitive services, go to those headings in this chapter.

If you get a bill or are asked to pay a co-pay you don't think you have to pay, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). If you pay the bill, you can file a claim form with Blue Shield Promise. You will need to tell Blue Shield Promise in writing why you had to pay for the item or service. Blue Shield Promise will read your claim and decide if you can get money back.

For questions call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

If you get services in the Veterans Affairs system or get non-covered or unauthorized services outside of California, you might be responsible for payment.

Blue Shield Promise will not pay you back if:

- The services are not covered by Medi-Cal such as cosmetic services
- You have an unmet Medi-Cal share of cost

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself
- You asked to be paid back for co-pays for prescriptions covered by your Medicare Part D plan

Referrals

If you need a specialist for your care, your PCP or another specialist will give you a referral to one. A specialist is a provider who focuses on one type of health care service. The doctor who refers you will work with you to choose a specialist. To help make sure you can go to a specialist in a timely way, DHCS sets time frames for members to get appointments. These time frames are listed in “Timely access to care” in this handbook. Your PCP’s office can help you set up an appointment with a specialist.

Other services that might need a referral include in-office procedures, X-rays, lab work, and specialists.

Your PCP might give you a form to take to the specialist. The specialist will fill out the form and send it back to your PCP. The specialist will treat you for as long as they think you need treatment.

If you have a health problem that needs special medical care for a long time, you might need a standing referral. This means you can go to the same specialist more than once without getting a referral each time.

If you have trouble getting a standing referral or want a copy of the Blue Shield Promise referral policy, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

You do **not** need a referral for:

- PCP visits
- Obstetrics/Gynecology (OB/GYN) visits
- Urgent or emergency care visits
- Adult sensitive services, such as sexual assault care
- Family planning services (to learn more, call the Office of Family Planning Information and Referral Service at 1-800-942-1054)
- HIV testing and counseling (12 years or older)
- Sexually transmitted infection services (12 years or older)
- Chiropractic services (a referral may be required when provided by out-of-network FQHCs, RHCs, and IHCPs)
- Initial mental health assessment

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

- On-going mental health therapy

Minors can also get certain outpatient mental health services, sensitive services, and substance use disorder services without parent’s consent. To learn more, read “Minor consent services” in this chapter and “Substance use disorder treatment services” in Chapter 4 of this handbook.

California Cancer Equity Act referrals

Effective treatment of complex cancers depends on many factors. These include getting the right diagnosis and getting timely treatment from cancer experts. If you are diagnosed with a complex cancer, the new California Cancer Care Equity Act allows you to ask for a referral from your doctor to get cancer treatment from an in-network National Cancer Institute (NCI)-designated cancer center, NCI Community Oncology Research Program (NCORP)-affiliated site, or a qualifying academic cancer center.

If Blue Shield Promise does not have an in-network NCI-designated cancer center, Blue Shield Promise will allow you to ask for a referral to get cancer treatment from one of these out-of-network centers in California, if one of the out-of-network centers and Blue Shield Promise agree on payment, unless you choose a different cancer treatment provider.

If you have been diagnosed with cancer, contact Blue Shield Promise to find out if you qualify for services from one of these cancer centers.

Pre-approval (prior authorization)

For some types of care, your PCP or specialist will need to ask Blue Shield Promise for permission before you get the care. This is called asking for pre-approval or prior authorization. It means Blue Shield Promise must make sure the care is medically necessary (needed).

Medically necessary services are reasonable and necessary to protect your life, keep

you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under age 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition.

The following services always need pre-approval (prior authorization), even if you get them from a provider in the Blue Shield Promise network:

- Hospitalization, if not an emergency
- Services out of the Blue Shield Promise service area, if not an emergency or urgent care
- Outpatient surgery
- Long-term care or skilled nursing services at a nursing facility
- Specialized treatments, imaging, testing, and procedures
- Medical transportation services when it is not an emergency. Emergency ambulance services do not require pre-approval.
- Major organ transplant

Emergency ambulance services do not require pre-approval (prior authorization).

Under Health and Safety Code Section 1367.01(h)(1), Blue Shield Promise has 5 business days from when Blue Shield Promise gets the information reasonably needed to decide (approve or deny) pre-approval (prior authorization) requests. For requests a provider made or when Blue Shield Promise finds that following the standard time frame could seriously endanger your life or health or ability to attain, maintain, or regain maximum function, Blue Shield Promise will make an expedited (fast) pre-approval (prior authorization) decision.

Blue Shield Promise will give you notice as quickly as your health condition requires and no later than 72 hours after getting the request for services.

Clinical or medical staff such as doctors, nurses, and pharmacists review pre-approval (prior authorization) requests.

Blue Shield Promise does not influence the reviewers' decision to deny or approve coverage or services in any way. If Blue Shield Promise does not approve the request, Blue Shield Promise will send you a Notice of Action (NOA) letter. The NOA will tell you how to file an appeal if you do not agree with the decision.

Blue Shield Promise will contact you if Blue Shield Promise needs more information or more time to review your request.

You never need pre-approval (prior authorization) for emergency care, even if it is out of the network or out of your service area. This includes labor and delivery if you are _____

pregnant. You do not need pre-approval (prior authorization) for certain sensitive care services. To learn more about sensitive care services, read “Sensitive care” later in this chapter.

For questions about pre-approval (prior authorization), call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Second opinions

You might want a second opinion about care your provider says you need or about your diagnosis or treatment plan. For example, you might want a second opinion if you want to make sure your diagnosis is correct, you are not sure you need a prescribed treatment or surgery, or you have tried to follow a treatment plan and it has not worked.

If you want to get a second opinion, we will refer you to a qualified in-network provider who can give you a second opinion. For help choosing a provider, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Blue Shield Promise will pay for a second opinion if you or your in-network provider asks for it, and you get the second opinion from an in-network provider. You do not need pre-approval (prior authorization) from Blue Shield Promise to get a second opinion from an in-network provider. Your in-network provider can help you get a referral for a second opinion if you need one.

If there is no provider in the Blue Shield Promise network who can give you a second opinion, Blue Shield Promise will pay for a second opinion from an out-of-network provider. Blue Shield Promise will tell you within 5 business days if the provider you choose for a second opinion is approved. If you have a chronic, severe, or serious illness, or have an immediate and serious threat to your health, including, but not limited to, loss of life, limb, or major body part or bodily function, Blue Shield Promise will tell you in writing within 72 hours.

If Blue Shield Promise denies your request for a second opinion, you can file a grievance. To learn more about grievances, read “Complaints” in Chapter 6 of this handbook.

Sensitive care

Minor consent services

If you are under age 18, you can get some services without a parent's or guardian's permission. These services are called minor consent services.

You may get these services without your parent or guardian's permission:

- Sexual assault services, including outpatient mental health care
- Pregnancy
- Family planning and birth control
- Abortion services

If you are 12 years old or older, you may also get these services without your parent's or guardian's permission:

- Outpatient mental health care for:
 - Sexual assault
 - Incest
 - Physical assault
 - Child abuse
 - When you have thoughts of hurting yourself or others
- HIV/AIDS prevention, testing, and treatment
- Sexually transmitted infections prevention, testing, and treatment
- Substance use disorder treatment
 - To learn more, read "Substance use disorder treatment services" in Chapter 4 of this handbook.

For pregnancy testing, family planning services, birth control services, or services for sexually transmitted infections, the doctor or clinic does not have to be in the Blue Shield Promise network. You can choose any Medi-Cal provider and go to them for these services without a referral or pre-approval (prior authorization).

For minor consent services that are not specialty mental health services, you can go to an in-network provider without a referral and without pre-approval (prior authorization). Your PCP does not have to refer you and you do not need to get pre-approval (prior authorization) from Blue Shield Promise to get covered minor consent services.

Minor consent services that are specialty mental health services are not covered.

Specialty mental health services are covered by the county mental health plan for the county where you live.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

Minors can talk to a representative in private about their health concerns by calling the Nurse Advice Line 24/7 at 1-800-609-4166 (TTY 711).

Blue Shield Promise will not send information about getting sensitive services to parents or guardians. To learn more about how to ask for confidential communications related to sensitive services, read “Notice of privacy practices” in Chapter 7 of this handbook.

Adult sensitive care services

As an adult 18 years or older, you may not want to go to your PCP for certain sensitive or private care. You can choose any doctor or clinic for these types of care:

- Family planning and birth control including sterilization for adults 21 and older
- Pregnancy testing and counseling
- HIV/AIDS prevention and testing
- Sexually transmitted infections prevention, testing, and treatment
- Sexual assault care
- Outpatient abortion services

For sensitive care, the doctor or clinic does not have to be in the Blue Shield Promise network. You can choose to go to any Medi-Cal provider for these services without a referral or pre-approval (prior authorization) from Blue Shield Promise. If you got care not listed here as sensitive care from an out-of-network provider, you might have to pay for it.

If you need help finding a doctor or clinic for these services, or help getting to these services (including transportation), call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Or call the Nurse Advice Line 24/7 at 1-800-609-4166 (TTY 711).

Blue Shield Promise will not disclose medical information related to sensitive services to any other member without written authorization from you, the member receiving care. To learn more about how to ask for confidential communications related to sensitive services, read “Notice of privacy practices” in Chapter 7.

Moral objection

Some providers have a moral objection to some covered services. They have a right to **not** offer some covered services if they morally disagree with the services. If your provider has a moral objection, they will help you find another provider for the needed services. Blue Shield Promise can also help you find a provider.

Some hospitals and providers do not provide one or more of these services even if they are covered by Medi-Cal:

These services are available to you. Blue Shield Promise will make sure you and your family members can use providers (doctors, hospitals, clinics) who will give you the care you need. If you have questions or need help finding a provider, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711) if you have questions or need help finding a provider.

Urgent care

Urgent care is **not** for an emergency or life-threatening condition. It is for services you need to prevent serious damage to your health from a sudden illness, injury, or complication of a condition you already have. Most urgent care appointments do not need pre-approval (prior authorization). If you ask for an urgent care appointment, you will get an appointment within 48 hours. If the urgent care services you need require a pre-approval (prior authorization), you will get an appointment within 96 hours of your request.

For urgent care, call your PCP. If you cannot reach your PCP, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Or you can call the Nurse Advice Line 24 hours a day, 7 days a week, including holidays at 1-800-609-4166 (TTY 711), to learn the level of care that is best for you.

If you need urgent care out of the area, go to the nearest urgent care facility.

Urgent care needs could be:

- Cold
- Sore throat
- Fever

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

- Ear pain
- Sprained muscle
- Maternity services

You must get urgent care services from an in-network provider when you are inside Blue Shield Promise's service area. You do not need pre-approval (prior authorization) for urgent care from in-network providers inside Blue Shield Promise's service area. If you are outside the Blue Shield Promise service area, but inside the United States, you do not need pre-approval (prior authorization) to get urgent care.

Go to the nearest urgent care facility. Medi-Cal does not cover urgent care services outside the United States. If you are traveling outside the United States and need urgent care, we will not cover your care.

If you need mental health urgent care, call your county mental health plan or Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Call your county mental health plan or your Blue Shield Promise Behavioral Health Organization any time, 24 hours a day, 7 days a week. To find all counties' toll-free telephone numbers online, go to: <http://www.dhcs.ca.gov/individuals/Pages/MHPContaktList.aspx>.

If you get medicines as part of your covered urgent care visit, Blue Shield Promise will cover them as part of your covered visit. If your urgent care provider gives you a prescription to take to a pharmacy, Medi-Cal Rx will decide if it is covered. To learn more about Medi-Cal Rx, read "Prescription drugs covered by Medi-Cal Rx" in "Other Medi-Cal programs and services" in Chapter 4.

Emergency care

For emergency care, call **911** or go to the nearest emergency room (ER). For emergency care, you do **not** need pre-approval (prior authorization) from Blue Shield Promise.

Inside the United States, including any United States Territory, you have the right to use any hospital or other setting for emergency care.

If you are outside the United States, only emergency care requiring hospitalization in Canada and Mexico are covered. Emergency care and other care in other countries are not covered.

Emergency care is for life-threatening medical conditions. This care is for an illness or

injury that a prudent (reasonable) layperson (not a health care professional) with average knowledge of health and medicine could expect that, if you don't get care right away, you would place your health (or your unborn baby's health) in serious danger. This includes risking serious harm to your bodily functions, body organs or body parts. Examples may include, but are not limited to:

- Active labor
- Broken bone
- Severe pain
- Chest pain
- Trouble breathing
- Severe burn
- Drug overdose
- Fainting
- Severe bleeding
- Psychiatric emergency conditions, such as severe depression or suicidal thoughts (this may be covered by county mental health plans)

Do **not** go to the ER for routine care or care that is not needed right away. You should get routine care from your PCP, who knows you best. If you are not sure if your medical condition is an emergency, call your PCP. You can also call the Nurse Advice Line 24/7 at 1-800-609-4166 (TTY 711).

If you need emergency care away from home, go to the nearest ER even if it is not in the Blue Shield Promise network. If you go to an ER, ask them to call Blue Shield Promise. You or the hospital that admitted you should call Blue Shield Promise within 24 hours after you get emergency care. If you are traveling outside the United States other than to Canada or Mexico and need emergency care, Blue Shield Promise will **not** cover your care.

If you need emergency transportation, call **911**. You do not need to ask your PCP or Blue Shield Promise before you go to the ER.

If you need care in an out-of-network hospital after your emergency (post-stabilization care), the hospital will call Blue Shield Promise.

Remember: Do not call **911** unless it is an emergency. Get emergency care only for an emergency, not for routine care or a minor illness like a cold or sore throat. If it is an emergency, call **911** or go to the nearest emergency room.

Nurse Advice Line

Blue Shield Promise Nurse Advice Line can give you free medical information and advice 24 hours a day, every day of the year. Call 1-800-609-4166 (TTY 711) to:

- Talk to a nurse who will answer medical questions, give care advice, and help you decide if you should go to a provider right away

The Nurse Advice Line **cannot** help with clinic appointments or medicine refills. Call your provider's office if you need help with these.

Your Nurse Advice Line number is listed on your health plan ID card. The nurse will help you in your language at no cost to you.

Advance directives

An advance health directive is a legal form. You can list on the form the health care you want in case you cannot talk or make decisions later. You can also list what care you do **not** want. You can name someone, such as a spouse, to make decisions for your health care if you cannot.

You can get an advance directive form at pharmacies, hospitals, law offices, and doctors' offices. You might have to pay for the form. You can also find and download a free form online. You can ask your family, PCP, or someone you trust to help you fill out the form.

You have the right to have your advance directive placed in your medical records. You have the right to change or cancel your advance directive at any time.

You have the right to learn about changes to advance directive laws. Blue Shield Promise will tell you about changes to the state law no longer than 90 days after the change.

4. Benefits and services

What your health plan covers

This chapter explains your covered services as a member of Blue Shield Promise. Your covered services are free as long as they are medically necessary and provided by an in-network provider. You must ask us for pre-approval (prior authorization) if the care is out-of-network except for certain sensitive services and emergency care. Your health plan might cover medically necessary services from an out-of-network provider, but you must ask Blue Shield Promise for pre-approval (prior authorization) for this.

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under the age of 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition. For more on your covered services, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Members under 21 years old get extra benefits and services. To learn more, read Chapter 5, “Child and youth well care.”

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury.

Medically necessary services include those services that are necessary for age-appropriate growth and development, or to attain, maintain, or regain functional capacity.

For members under 21 years of age, a service is medically necessary if it is necessary to correct or improve defects and physical and mental illnesses or conditions under the federal Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit. This includes care that is necessary to fix or help relieve a physical or mental illness or condition or maintain the member's condition to keep it from getting worse.

Medically necessary services do not include:

- **Treatments that are untested or still being tested**
- **Services or items not generally accepted as effective**
- **Services outside the normal course and length of treatment or services that don't have clinical guidelines**
- **Services for caregiver or provider convenience**

Blue Shield Promise coordinates with other programs to be sure you get all medically necessary services, even if those services are covered by another program and not Blue Shield Promise.

Medically necessary services include covered services that are reasonable and necessary to:

- **Protect life,**
- **Prevent significant illness or significant disability,**
- **Alleviate severe pain,**
- **Achieve age-appropriate growth and development, or**
- **Attain, maintain, and regain functional capacity**

For members younger than 21 years old, medically necessary services include all covered services listed above plus any other necessary health care, diagnostic services, treatment, and other measures to correct or improve defects and physical and mental illnesses and conditions, the federal Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit requires.

EPSDT provides prevention, diagnostic, and treatment services for low-income infants, children, and adolescents under age 21. EPSDT covers more services than the benefit for adults. It is designed to make sure children get early detection and care to prevent or diagnose and treat health problems. The EPSDT goal is to make sure every child gets the health care they need when they need it – the right care to the right child at the right time in the right setting.

Blue Shield Promise will coordinate with other programs to make sure you get all medically necessary services, even if another program covers those services and Blue Shield Promise does not. Read “Other Medi-Cal programs and services” in this chapter.

You can get many services through telehealth.

Telehealth may not be available for all covered services. You can contact your provider to learn which services you can get through telehealth. You are not required to use telehealth even if your provider agrees that it is appropriate for you.

Emergency care

Inpatient and outpatient services needed to treat a medical emergency

Blue Shield Promise covers all services needed to treat a medical emergency that happens in the U.S. (including territories such as Puerto Rico, U.S. Virgin Islands, etc.). Blue Shield Promise also covers emergency care that requires hospitalization in Canada or Mexico. A medical emergency is a medical condition with severe pain or serious injury. The condition is so serious that, if it does not get immediate medical attention, a prudent (reasonable) layperson (not a health care professional) could expect it to result in:

- Serious risk to your health,
- Serious harm to bodily functions,
- Serious dysfunction of any bodily organ or part, or
- Serious risk in cases of a pregnant person in active labor, meaning labor at a time when either of the following would occur:
 - There is not enough time to safely transfer you to another hospital before delivery.
 - The transfer might pose a threat to your health or safety or to that of your

unborn child.

If a hospital emergency room provider gives you up to a 72-hour supply of an outpatient prescription drug as part of your treatment, Blue Shield Promise will cover the prescription drug as part of your covered Emergency Services. If a hospital emergency room provider gives you a prescription that you have to take to an outpatient pharmacy to be filled, Medi-Cal Rx will cover that prescription.

If a pharmacist at an outpatient pharmacy gives you an **emergency supply** of a medication, that emergency supply will be covered by Medi-Cal Rx and not Blue Shield Promise. If the pharmacy needs help giving you an emergency medication supply, have them call Medi-Cal Rx at 1-800-977-2273.

Emergency transportation services

Blue Shield Promise covers ambulance services to help you get to the nearest place of care in an emergency. This means your condition is serious enough that other ways of getting to a place of care could risk your health or life. No services are covered outside the U.S. except emergency care that requires you to be in the hospital in Canada or Mexico. If you get emergency ambulance services in Canada or Mexico and you are not hospitalized during that care episode, Blue Shield Promise will not cover your ambulance services.

Hospice and palliative care

Blue Shield Promise covers hospice care and palliative care for children and adults, which help reduce physical, emotional, social, and spiritual discomforts. Adults ages 21 years or older may not get hospice care and palliative care services at the same time.

- Short-term inpatient care for pain control or symptom management in a hospital, skilled nursing facility, or hospice facility

Palliative care

Palliative care is patient and family-centered care that improves quality of life by anticipating, preventing, and treating suffering. Palliative care does not require the member to have a life expectancy of six months or less. Palliative care may be provided at the same time as curative care.

Palliative care includes:

Transportation benefits for situations that are not emergencies

You can get medical transportation if you have medical needs that do not allow you to use a car, bus, or taxi to your appointments. You can get medical transportation for covered services and Medi-Cal covered pharmacy appointments. You can request medical transportation by asking your doctor, dentist, podiatrist, or mental health or substance use disorder provider for it. Your provider will decide the correct type of transportation to meet your needs.

If they find that you need medical transportation, they will prescribe it by filling out a form and submitting it to Blue Shield Promise. Once approved, the approval is good for up to 12 months, depending on the medical need. Once approved, you can get as many rides as you need. Your doctor will need to reassess your medical need for medical transportation and re-approve it every 12 months.

Medical transportation is an ambulance, litter van, wheelchair van, or air transport. Blue Shield Promise allows the lowest cost medical transportation for your medical needs when you need a ride to your appointment. That means, for example, if you can physically or medically be transported by a wheelchair van, Blue Shield Promise will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any form of ground transportation impossible.

You will get medical transportation if:

- It is physically or medically needed, with a written authorization by a doctor or other provider because you are not able to physically or medically able to use

We must reimburse you within 60 calendar days of you submitting the required receipts and proof of transportation expenses.

Home and community-based services (HCBS) outside of WCM services

If you qualify to enroll in a 1915(c) waiver, you may be able to get home and community-based services that are not related to a CCS-eligible condition but are necessary for you to stay in a community setting instead of an institution. For example, if you require home modifications to meet your needs in a community-based setting, Blue Shield Promise cannot pay those costs as a CCS-related condition. But if you are enrolled in a 1915(c) waiver, home modifications may be covered if they are medically necessary to prevent institutionalization.

Other Medi-Cal programs and services

Other services you can get through Fee-for-Service (FFS) Medi-Cal or other Medi-Cal programs

Blue Shield Promise does not cover some services, but you can still get them through FFS Medi-Cal or other Medi-Cal programs. Blue Shield Promise will coordinate with other programs to make sure you get all medically necessary services, including those covered by another program and not Blue Shield Promise. This section lists some of these services. To learn more, call Blue Shield Promise Custom 1-800-605-2556 (TTY 711).

Outpatient prescription drugs

Prescription drugs covered by Medi-Cal Rx

Prescription drugs given by a pharmacy are covered by Medi-Cal Rx, which is a Medi-Cal FFS program. Blue Shield Promise might cover some drugs a provider gives in an office or clinic. If your provider prescribes drugs given in the doctor’s office, infusion center, or by a home infusion provider, these are considered physician-administered drugs.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

If a non-pharmacy based medical health care professional administers a drug, it is covered under the medical benefit. Your provider can prescribe you drugs on the Medi-Cal Rx Contract Drugs List.

Sometimes, you need a drug not on the Contract Drugs List. These drugs need approval before you can fill the prescription at the pharmacy. Medi-Cal Rx will review and decide these requests within 24 hours.

- A pharmacist at your outpatient pharmacy may give you a 14-day emergency supply if they think you need it. Medi-Cal Rx will pay for the emergency medicine an outpatient pharmacy gives.
- Medi-Cal Rx may say no to a non-emergency request. If they do, they will send you a letter to tell you why. They will tell you what your choices are. To learn more, read “Complaints” in Chapter 6.

To find out if a drug is on the Contract Drugs List or to get a copy of the Contract Drugs List, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Pharmacies

If you are filling or refilling a prescription, you must get your prescribed drugs from a pharmacy that works with Medi-Cal Rx. You can find a list of pharmacies that work with Medi-Cal Rx in the Medi-Cal Rx Pharmacy Directory at:

<https://medi-calrx.dhcs.ca.gov/home/>

You can also find a pharmacy near you or a pharmacy that can mail your prescription to you by calling Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

Once you choose a pharmacy, take your prescription to the pharmacy. Your provider can also send it to the pharmacy for you. Give the pharmacy your prescription with your Medi-Cal Benefits Identification Card (BIC). Make sure the pharmacy knows about all medicines you are taking and any allergies you have. If you have any questions about your prescription, ask the pharmacist.

Members can also get transportation services from Blue Shield Promise to get to pharmacies. To learn more about transportation services, read “Transportation benefits for situations that are not emergencies” in Chapter 4 of this handbook.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

substance use to get care. Services for substance use are available from general care providers such as primary care, inpatient hospitals, and emergency departments and from specialty substance use service providers. County Behavioral Health Plans often provide specialty services.

To learn more about treatment options for substance use disorders, call the Los Angeles County Substance Use Disorder Helpline at 1-844-804-7500 (TTY 711), 24 hours a day, 7 days a week.

When medically necessary, available services include outpatient treatment, residential treatment, and medicines for substance use disorders (also called Medication Assisted Treatment (MAT)) such as buprenorphine, methadone, and naltrexone.

The county provides substance use disorder services to Medi-Cal members who qualify for these services. Members who are identified for substance use disorder treatment services are referred to their county department for treatment. For a list of all counties' telephone numbers go to https://dhcs.ca.gov/individuals/Pages/SUD_County_Access_Lines.aspx.

California Children's Services (CCS)

CCS is a Medi-Cal program that treats children under 21 years of age with certain health conditions, diseases, or chronic health problems and who meet the CCS program rules. If Blue Shield Promise or your PCP believes your child has a CCS-eligible condition, they will be referred to the CCS county program to check if they qualify.

County CCS program staff will decide if your child qualifies for CCS services. Blue Shield Promise does not decide CCS eligibility. If your child qualifies to get this type of care, CCS providers will treat him or her for the CCS-eligible condition. Blue Shield Promise will continue to cover the types of service that do not have to do with the CCS condition such as physicals, vaccines, and well-child checkups.

Blue Shield Promise does not cover services that the CCS program covers. For CCS to cover these services, CCS must approve the provider, services, and equipment.

CCS does not cover all health conditions. CCS covers most health conditions that

1915(c) waiver Home and Community-Based Services (HCBS)

California's six Medi-Cal 1915(c) waivers allow the state to provide services to persons who would otherwise need care in a nursing facility or hospital in the community-based setting of their choice. Medi-Cal has an agreement with the Federal Government that allows waiver services to be offered in a private home or in a homelike community setting. The services offered under the waivers must not cost more than the alternative institutional level of care. HCBS Waiver recipients must qualify for full-scope Medi-Cal. The six Medi-Cal 1915(c) waivers are:

- California Assisted Living Waiver (ALW)
- California Self-Determination Program (SDP) Waiver for Individuals with Developmental Disabilities

5. Child and youth well care

Child and youth members under 21 years old can get special health services as soon as they are enrolled. This makes sure they get the right preventive, dental, and mental health care, including developmental and specialty services. This chapter explains these services.

Pediatric services (Children under age 21)

Well-child health check-ups and preventive care

Preventive care includes regular health check-ups, screenings to help your doctor find problems early, and counseling services to detect illnesses, diseases, or medical conditions before they cause problems. Regular check-ups help you or your child's doctor look for any problems. Problems can include medical, dental, vision, hearing, mental health, and any substance (alcohol or drug) use disorders. Blue Shield Promise covers check-ups to screen for problems (including blood lead level assessment) any time there is a need for them, even if it is not during your or your child's regular check-up.

Preventive care also includes shots you or your child need. Blue Shield Promise must make sure all enrolled children are up to date with all the shots they need when they have their visits with their doctor. Preventive care services and screenings are available at no cost and without pre-approval (prior authorization).

Your child should get check-ups at these ages:

- 2-4 days after birth
- 1 month
- 2 months
- 4 months
- 6 months
- 9 months
- 12 months
- 15 months
- 18 months
- 24 months
- 30 months
- Once a year from 3 to 20 years old

- Physical, behavioral, developmental, or emotional condition that blocks the patient from responding to the provider's attempts to perform treatment

6. Reporting and solving problems

There are two ways to report and solve problems:

- Use a **complaint (grievance)** when you have a problem or are unhappy with Blue Shield Promise or a provider or with the health care or treatment you got from a provider.
- Use an **appeal** when you don't agree with Blue Shield Promise's decision to change your services or to not cover them.

You have the right to file grievances and appeals with Blue Shield Promise to tell us about your problem. This does not take away any of your legal rights and remedies. We will not discriminate or retaliate against you for filing a complaint with us or reporting issues. Telling us about your problem will help us improve care for all members.

You may contact Blue Shield Promise first to let us know about your problem. Call us between Monday - Friday, 8 a.m. to 6 p.m. at Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711) or go to blueshieldca.com/promise/medi-cal. Tell us about your problem.

If your grievance or appeal is still not resolved after 30 days, or you are unhappy with the result, you can call the California Department of Managed Health Care (DMHC). Ask them to review your complaint or conduct an Independent Medical Review (IMR). If your matter is urgent, such as those involving a serious threat to your health, you may call DMHC right away without first filing a grievance or appeal with Blue Shield Promise. You can call DMHC for free at 1-888-466-2219 (TTY 1-877-688-9891 or 711). Or go to: <https://www.dmhc.ca.gov>.

They can also help if you moved and are having trouble getting your Medi-Cal transferred to your new county. You can call the Ombudsman Monday through Friday, 8 a.m. to 5 p.m. at 1-888-452-8609. You can find the Independent Medical Review/Complaint form and instructions online at the DMHC's website: <https://www.dmhc.ca.gov/>.

Appeals

An appeal is different from a complaint. An appeal is a request for us to review and change a decision we made about your services. If we sent you a Notice of Action (NOA) letter telling you that we are denying, delaying, changing, or ending a service, and you do not agree with our decision, you can ask us for an appeal. Your authorized representative or provider can also ask us for an appeal for you with your written permission.

You must ask for an appeal within 60 days from the date on the NOA you got from us. If we decided to reduce, suspend, or stop a service you are getting now, you can continue getting that service while you wait for your appeal to be decided. This is called Aid Paid Pending. To get Aid Paid Pending, you must ask us for an appeal within 10 days from the date on the NOA or before the date we said your services will stop, whichever is

If we do not give you our appeal decision within 30 days, you can request a State Hearing from the California Department of Social Services (CDSS) and an Independent Medical Review (IMR) with DMHC. But if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR with DMHC. In this case, the State Hearing has final say.

If you or your doctor wants us to make a fast decision because the time it takes to decide your appeal would put your life, health, or ability to function in danger, you can ask for an expedited (fast) review. To ask for an expedited review, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). We will decide within 72 hours

of receiving your appeal.

What to do if you do not agree with an appeal decision

If you requested an appeal and got a NAR letter telling you we did not change our decision, or you never got a NAR letter and it has been past 30 days, you can:

- Ask for a **State Hearing** from the California Department of Social Services (CDSS), and a judge will review your case. CDSS' toll-free telephone number is 1-800-743-8525(TTY1-800-952-8349). You can also ask for a State Hearing online at <https://www.cdss.ca.gov>.

File an Independent Medical Review/Complaint form with the Department of Managed Health Care (DMHC) to have Blue Shield Promise's decision reviewed. Or ask for an **Independent Medical Review (IMR)** from DMHC. If your complaint qualifies for DMHC's Independent Medical Review (IMR) process, an outside doctor who is not part of Blue Shield Promise will review your case and make a decision that Blue Shield Promise must follow.

DMHC's toll-free telephone number is 1-888-466-2219 (TTY 1-877-688-9891). You can find the Independent Medical Review/Complaint form and instructions online at the DMHC's website: <https://www.dmhc.ca.gov>.

You will not have to pay for a State Hearing or an IMR.

You are entitled to both a State Hearing and an IMR. But if you ask for a State Hearing first and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

The sections below have more information on how to ask for a State Hearing and an IMR.

Complaints and appeals related to Medi-Cal Rx pharmacy benefits are not handled by Blue Shield Promise. You can submit complaints and appeals about Medi-Cal Rx pharmacy benefits by calling 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Complaints and appeals related to pharmacy benefits not subject to Medi-Cal Rx may be eligible for an Independent Medical Review (IMR).

If you do not agree with a decision related to your Medi-Cal Rx pharmacy benefit, you may ask for a State Hearing. You cannot ask DMHC for an IMR for Medi-Cal Rx pharmacy benefit decisions.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

Complaints and Independent Medical Reviews (IMR) with the Department of Managed Health Care (DMHC)

An IMR is when an outside doctor who is not related to your health plan reviews your case. If you want an IMR, you must first file an appeal with Blue Shield Promise. If you do not hear from your health plan within 30 calendar days, or if you are unhappy with your health plan's decision, then you may request an IMR. You must ask for an IMR within 6 months from the date on the notice telling you of the appeal decision, but you only have 120 days to request a State Hearing so if you want an IMR and a State hearing file your complaint as soon as you can. Remember, if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

You may be able to get an IMR right away without first filing an appeal with Blue Shield Promise. This is in cases where your health concern is urgent, such as those involving a serious threat to your health.

If your complaint to DMHC does not qualify for an IMR, DMHC will still review your complaint to make sure Blue Shield Promise made the correct decision when you appealed its denial of services.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website www.dmhc.ca.gov/ has complaint forms, IMR application forms and instructions online.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

State Hearings

A State Hearing is a meeting with Blue Shield Promise and a judge from the CDSS. The judge will help to resolve your problem or tell you that we made the correct decision. You have the right to ask for a State Hearing if you already asked for an appeal with us and you are still not happy with our decision, or if you did not get a decision on your appeal after 30 days.

You must ask for a State Hearing within 120 days from the date on our NAR letter. If we gave you Aid Paid Pending during your appeal and you want it to continue until there is a decision on your State Hearing, you must ask for a State Hearing within 10 days of our NAR letter or before the date we said your services will stop, whichever is later.

If you need help making sure Aid Paid Pending will continue until there is a final decision on your State Hearing, contact Blue Shield Promise between Monday - Friday, 8 a.m. to 6 p.m. by calling 1-800-605-2556 (TTY 711). If you cannot hear or speak well, call 711. Your authorized representative or provider can ask for a State Hearing for you with your written permission.

Sometimes you can ask for a State Hearing without completing our appeal process.

For example, if we did not notify you correctly or on time about your services, you can request a State Hearing without having to complete our appeal process. This is called Deemed Exhaustion. Here are some examples of Deemed Exhaustion:

- We did not make a NOA or NAR letter available to you in your preferred language
- We made a mistake that affects any of your rights
- We did not give you a NOA letter
- We did not give you a NAR letter
- We made a mistake in our NAR letter
- We did not decide your appeal within 30 days. We decided your case was urgent but did not respond to your appeal within 72 hours

You can ask for a State Hearing in these ways:

If you need help asking for a State Hearing, we can help you. We can give you no-cost language services. Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

At the hearing, you will give your side. We will give our side. It could take up to 90 days for the judge to decide your case. Blue Shield Promise must follow what the judge decides.

If you want CDSS to make a fast decision because the time it takes to have a State Hearing would put your life, health, or ability to function fully in danger, you, your authorized representative, or your provider can contact CDSS and ask for an expedited (fast) State Hearing. CDSS must make a decision no later than 3 business days after it gets your complete case file from Blue Shield Promise.

Notice about laws

Many laws apply to this Member Handbook. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are state and federal laws about the Medi-Cal program. Other federal and state laws may apply too.

Notice about Medi-Cal as a payer of last resort, other health coverage, and tort recovery

The Medi-Cal program follows state and federal laws and regulations relating to the legal liability of third parties for health care services to members. Blue Shield Promise will take all reasonable measures to ensure that the Medi-Cal program is the payer of last resort.

Medi-Cal members may have other health coverage (OHC), also referred to as private health insurance. As a condition of Medi-Cal eligibility, you must apply for or retain any available OHC when there is no cost to you.

Federal and state laws require Medi-Cal members to report OHC and any changes to an existing OHC. You may have to repay DHCS for any benefits paid by mistake if you don't report OHC quickly. Submit your OHC online at <http://dhcs.ca.gov/OHC>.

If you do not have access to the internet, you can report OHC to Blue Shield Promise.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711.

Visit online at blueshieldca.com/promise/medi-cal.

Or call 1-800-541-5555 (TTY 1-800-430-7077 or 711) inside California, or 1-916-636-1980 (outside California).

The California Department of Health Care Services (DHCS) has the right and responsibility to collect for covered Medi-Cal services for which Medi-Cal is not the first payer. For example, if you are injured in a car accident or at work, auto or workers' compensation insurance may have to pay first, or reimburse Medi-Cal.

If you are injured, and another party is liable for your injury, you or your legal representative must notify DHCS within 30 days of filing a legal action or a claim. Submit your notification online:

- Personal Injury Program at <https://dhcs.ca.gov/PI>
- Workers' Compensation Recovery Program at <https://dhcs.ca.gov/WC>

To learn more, visit <https://dhcs.ca.gov/tplrd> or call 1-916-445-9891.

Notice about estate recovery

The Medi-Cal program must seek repayment from probated estates of certain deceased members for Medi-Cal benefits received on or after their 55th birthday. Repayment includes Fee-for-Service (FFS) and managed care premiums or capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment cannot exceed the value of a member's probated estate.

To learn more, go to the DHCS estate recovery website at <https://dhcs.ca.gov/er> or call 1-916-650-0590.

Notice of Action

Blue Shield Promise will send you a Notice of Action (NOA) letter any time Blue Shield Promise denies, delays, terminates, or modifies a request for health care services. If you disagree with Blue Shield Promise's decision, you can always file an appeal with Blue Shield Promise. Go to the Appeals section above for important information on filing your appeal. When Blue Shield Promise sends you a NOA it will tell you all the rights you have if you disagree with a decision we made.

- A statement of the action Blue Shield Promise intends to take
- A clear and concise explanation of the reasons for Blue Shield Promise's decision
- How Blue Shield Promise decided, including the rules Blue Shield Promise used
- The medical reasons for the decision. Blue Shield Promise must clearly state how the member's condition does not meet the rules or guidelines.

Translations

Blue Shield Promise is required to fully translate and provide written member information in common preferred languages, including all grievance and appeals notices.

The fully translated notice must include the medical reason for Blue Shield Promise's decision to deny, delay, change, reduce, suspend, or stop a request for health care services.
