

Blue Shield of California Medication Drop Ship Program

Blue Shield of California has engaged ASPN Pharmacies (ASPN) to expand its role in helping providers in California to simplify the process of obtaining specialty drugs for eligible patients with Blue Shield PPO health plan coverage.

Since May 1, 2024, all specialty medications ordered by providers through our Medication Drop Ship Program for treating Blue Shield PPO plan members in California are managed through ASPN on behalf of Blue Shield. ASPN will take your order request, then coordinate prescription fulfillment with specialty pharmacies in the Blue Shield network. Order status updates are available through the ASPN web portal at aspnpharmacies.com/aspn.

ASPN is available to receive orders and questions about specialty medications. These contact numbers apply only to orders for Blue Shield PPO plan members:

- ASPN Customer Service telephone: (888) 349-0884, Monday through Friday, 5 a.m. to 7 p.m.
- ASPN FAX: (877) 643-1813

Follow the steps listed in the [Medication Drop Ship Program Job Aid](#) for Blue Shield PPO network providers to order drugs from the Medication Drop Ship Program. You may also view a [video](#) to learn more about Blue Shield's Medication Drop Ship Program.

Review the list below to identify which drugs are available through the program.
